School Uniform Guidance

At The Biome, effective learning begins with a commitment to community and culture. One way that this commitment can be exhibited is through adherence to the school's uniform policy. Daily, Biome learners must wear a school uniform when attending school, or when participating in school sponsored events, unless exempted by the Principal. A complete list of the items needed for school uniforms is in our parent handbook and on our website. A sharp and tidy appearance helps instill belonging, discipline and pride.

The Biome Logo is required on all uniforms

Our uniform policy:

- promotes a sense of identity and pride for Biome students
- denotes the current grade level and achievement
- engenders a feeling of community and belonging

- eliminates distractions
