INTRODUCTION

Letter from our Principal

Dear Biome Families,

On behalf of our dedicated staff and faculty, I warmly welcome you to the 2025-26 school year! Whether you are new or returning, I am confident that you will find The Biome to be an incredibly special student-centered school with a positive learning culture. Our hope is that the students at The Biome will be confident and joyful learners who learn from academic setbacks and embrace meaningful challenges.

We strongly believe that our goal is to foster not only academic achievement but also social-emotional learning to set the foundation for a future of success. Substantial research indicates that parents and guardians hold tremendous power in their child's education by setting high expectations for learning and behavior. We are excited and honored to partner with you to provide meaningful learning experiences that will inspire your child and instill a growth mindset approach to learning that will have an impact both inside and outside of the classroom.

Teamwork and open communication are vital. We encourage you to maintain contact with your child's teachers, attend parent-teacher conferences, and engage in school activities. As the saying goes, it takes a village, and we thank you for choosing The Biome to be part of yours.

I encourage you to read through the handbook, which outlines policies, procedures, and expectations. Please reach out with whatever questions you have; we value your feedback. Once again, welcome to The Biome! I look forward to a joyful school year.

Warm Regards,

Laura Myers

Definitions and Acronyms

DEFINITIONS – ACRONYMS – ICON KEY

 Valuable information

 Make a note

Absence - Non-attendance in a regularly scheduled class or activity regardless of the reason for such non-attendance

Parent - A custodial caregiver who has physical or legal custody of a child

Learner - Student attending The Biome School

Classroom Leader - A certified teacher responsible for helping learners navigate educational opportunities in their homeroom at The Biome

Inquiry - rather than presenting a set of facts, uses student inquiries, questions, interests, and curiosities to drive learning

Mind & Movement Leader - A teacher who helps learners understand the connection between physical health and mindfulness through a variety of fun physical activities outdoors and in our gym

Science Leader – A teacher who science classes

Adaptive Thinking Leader - A teacher who supports learners and staff as they learn about various forms of technology, hands-on skills, and growth mindset

STEM - Science, Technology, Engineering, Art, & Math: “STEM uses design principles and processes from the arts to manipulate science, tech, engineering, and math (arts act as a catalyst for STEM); STEM and arts integration combined. STEM is not a [curriculum](#), but rather an approach to teaching and learning rooted in authentic cross-curricular integration.” – Education Closet

Tardy - Not being present in your class by 8:00 AM

PBL - Project or Problem Based Learning

President & CEO - Superintendent of The Biome School

Principal - Administrator responsible for guiding the academic and social- emotional learning (SEL) of all learners and staff of The Biome School

LEA – Local Educational Agency (The Biome School is a LEA)

PTO – Parents Teacher Organization

Growth Mindset – “a belief that their most basic abilities can be developed through dedication and hard work—brains and talent are just the starting point. This view creates a love of learning and a resilience that is essential for great accomplishment,” Carol Dweck

IEP – An IEP is more than just a written legal document (or “plan”). It’s a map that lays out the program of special education instruction, supports and services kids need to make progress and succeed in school. The term IEP is also used to refer to the written plan that spells out the specific types of help the child will get. The IEP program and plan are covered by special education law, or the Individuals with Disabilities Education Act (IDEA).

504 Plan - 504 plans are formal plans that schools develop to give kids with disabilities the supports they need. These plans prevent discrimination and protect the rights of kids with disabilities in school. They’re covered under [Section 504 of the Rehabilitation Act](#), which is a civil rights law.

Communication at The Biome

To promote and enhance effective communication between parents, teachers, and administration, we ask that any problems or concerns be routed to the appropriate person as soon as possible. Part of problem solving is making sure the right people are aware and involved in the resolution process.

Main Office	Classroom Leader	Vice Principal	Principal	President and CEO
Attendance	Child's Progress	Student Accountability	Academic Policy	Donations
Lunch Accounts	Classroom Activities	Counseling Services	Teaching and Learning	Facilities
School Registration	Class Procedures		SPED Services	Legal Matters
General Questions	Daily Scheduling Field Trips		Academic Intervention Services	School Policy
Homeless Services				
Extended Day				

Parents who wish to address specific issues or concerns about their child's education are asked to speak first to their child's Classroom Leader to seek a suitable resolution. Unresolved academic/behavioral issues should follow the chain of command listed below:

- ① Classroom Leader or Specialist
- ② Vice Principal
- ③ Principal

The Intent of this Handbook

It is our hope that the following procedures support a culture of inclusiveness and high standards for learners, parents, and staff. Learners need both accountability and structure, but also enough freedom to develop their ability to choose well among different options. It is the responsibility of parents and The Biome Staff to support learners by placing them in the best possible position to succeed by reinforcing positive behaviors and discipline for the choices that they make.

Our History

☑ In the fields of Shelby is where one of our founders, Willie L. Kent Sr., learned the values of hard work, high standards, self-determination, and faith. His childhood in Shelby also taught him the reality of race and that equality of personhood does not equate to equality of opportunity. At the age of 13, he stood in fields of Shelby and watched daily as school buses drove past the crops in which he spent his days and formative years. Willie grew up without a father and was responsible for helping to support his family. This reality, along with the challenges of poverty and race, made attending school impossible.

Frustrated by the lack of opportunity and rejecting life as a sharecropper, Willie left Mississippi at the age of 19 and landed in St. Louis. He married later in life and with a great mechanical mind, succeeded in raising five children and kept the promise that he made himself on a sweltering day in the fields of Shelby. “My children will never be forced to work while other children go to school,” he told himself. Willie kept that promise, but it wasn’t enough. He wanted to provide opportunities for all children, especially those from underserved communities.

With an authentic spirit and soft tone, he was always able to convert others to his service-oriented way of thinking. Inspired by Willie’s passion for service were the co-founders of the Youth Learning Center, Ray Ford, and Judy Deluca Ford.

Ray and Willie met as co-workers at Buckeye International, a high manufacturer of commercial cleaning related products. Ray and Willie first became acquainted through their work on Willie’s homeless shelter and youth gardening programs. Their friendship was one of mutual respect, admiration, and shared faith.

Ray credits Willie as his primary motivator for public service. Ray wanted to help Willie achieve his goal of working with and for young people. When Ray and Judy saw what Willie was doing – helping so many, with so few resources, they were inspired. Ray often tells the story of how he believes the Lord spoke to him repeatedly; that Ray was to build a youth center – period. Although Ray tried to say he was retired, the Lord had other plans for him. So instead of retiring to Florida, he returned to St. Louis and embarked on building the Youth Learning Center with Willie.

The YLC facility was constructed with funding from the Ford Family Charitable Fund in 2003.

Ray has always been involved in community service, whether it was the Partner's Campaign for YMCA for many years, the St. Louis Symphony, his church, missions for relief in Africa, bibles for those in the Middle East or Salvation Army, United Way, local hospitals, animal shelters, the list goes on and on.

With Willie and Ray setting the standards, Youth Learning Center served over 1000 students in its STEM and education programs. Furthering our mission, The Biome School reflects Willie and Ray's values of hard work, high standards, and self-determination. Their example of faith ensures that love tempers all of our decisions and guides how we serve children and our families; "Our children come first!

YLC was founded as an after-school STEM option for public school students, based on the core belief that all students could thrive and reach their potential if given the opportunity and resources. Early on, our founders concluded that YLC would not serve children through sports/activity related programming; therefore, we concentrated on academic programs in mathematics, language arts, science, computer science, entrepreneurship, and civic leadership.

Launched with an initial group of sixty students, Youth Learning Center quickly gained a reputation for high-quality programs. For 13 years, our after school and summer programming provided youth, grades 1 – 8 with access to 21st century STEM (Science, Technology, Engineering, Art, & Math) education, state-of-the-art technology, and rigorous academic support not readily available in their low-income communities. Creative learning opportunities helped students develop basic literacy and math skills while they explored high tech skills such as engineering. Volunteers from corporate supporters and universities like the University of Missouri St. Louis, Saint Louis University, and Washington University supported our ability to provide intensive personal attention from caring adult role models helped children realize their potential.

During the pinnacle of our after school and summer programs, YLC grew to serve approximately 400 children annually, through our premium after-school and summer program, and other specialized program offerings.

Our commitment to quality led to program expansion within our facility and partnerships with the local youth organizations wanting to provide similar programs to their students.

Youth Learning Center was one of six organizations chosen for the competitive Deaconess Foundation Impact Partnership from among more than one hundred initial applicants.

2012 also marked the most significant governance decision of the organization's history as our Board of Directors voted to explore opening a world-class charter school, The Biome School.

Our journey towards opening The Biome began in 2010 when Bill Kent Jr., then Executive Director of YLC, suggested that we could improve our student outcomes through the establishment of a charter school versus after school program of two hours in the evening. The Board of Directors subsequently approved a feasibility study, followed by two years of intensive planning.

The Biome began as a K-1 school (in 2015-16) and plans to grow by one grade each year, eventually operating as a K-5 school by 2019-20. The school's model focuses on building a strong foundation of literacy and math in the early grades (K-2) to ensure that The Biome students are prepared to engage in accelerated and individualized STEM course-work and projects beginning in grade 3. Students completing our academic program at grade 5 will be on track to thrive in middle school and beyond.

Our Mission Statement

We engage students in an individualized and challenging, yet nurturing, educational environment, enriching their minds and cultivating confident and creative builders of the future.

Vision Statement

To be a joyful STEM ecosystem, where students discover their passions and expand their knowledge in the classroom and beyond.

Our Core Beliefs

- ❖ Sharing the Promise of Education
 - We believe education is the gateway to endless opportunities.
- ❖ The Transformative Power of Educators
 - We believe the only difference between children is the adults surrounding them.
- ❖ Requiring Excellence of Ourselves and Our Students
 - We believe in setting high standards and expect excellence and innovation in our work.
- ❖ Cultivating a Culture of Integrity
 - We believe in accountability through measurable outcomes and results.

School-Family Compact

The primary goal at The Biome is to create a school of distinction by aligning our **Academic Model to our Vision**. To achieve this goal we work to ensure that our academic program is fluid, flexible, and responsive to the needs of our students. The Biome works closely with learners, parents, and guardians to create an educational experience that both meets the needs of each unique learner and contributes to their academic success.

This School-Family Compact outlines the expectations and responsibilities of each member of our learning community. Please see the appendix for a copy to sign and return as soon as possible.

Parental involvement plays an important role in student success.

Throughout the school year our educators will:

- Create a safe and productive learning environment
- Communicate clear information about classroom and schoolwide expectations, assignments and due dates, assessment schedules, school schedules, promotion and retention policies, and other pertinent school information
- Provide instruction, guided practice, and independent learning opportunities that support academic growth
- Differentiate instruction to meet the learning needs of each individual student
- Ensure that students understand how to access learning materials (i.e., assignments, assessments, and activities)
- Help students develop academic stamina and engage in productive struggle
- Update parents/guardians regarding students' academic, social-emotional, and behavioral growth/concerns
- Partner with parents/guardians to promote the academic, social-emotional, and behavioral development of students
- Ensure full compliance with all DESE and Federal Programs' Policies

Throughout the school year, students must:

- Participate actively in their learning
- Be open to making mistakes as part of their learning process
- Complete all independent work (both at school and at home) thoughtfully
- Submit all independent work on time
- Adhere to schoolwide and classroom rules/expectations
- Come dressed in the approved school uniform
- Arrive rested and ready to learn

Throughout the school year, parents/guardians must:

- Ensure that children attend school every day, arriving on time and staying for the entire school day
- Provide a space in the home for their children to read and complete independent work
- Help their children establish routines (i.e., sleep and wake schedules, designated times for completing assignments)
- Help their children track upcoming assignments and due dates, and ensure that independent work is completed and submitted on time
- Provide learning support (as needed) that aligns with the instructional strategies introduced at school
- Guide children in the completion of independent work (as needed) without doing the work for them
- Promptly read and respond to school communications

- Communicate with the principal, or classroom leader if current life circumstances make it difficult for children to fully engage in learning

Social Media Expectations

Social Networking and Internet Safety Notice

Social networking opens up opportunities for sharing online, but it's essential for children and parents alike to exercise judgment and empathy in using these platforms.

Parental Guidance:

- **Regular Monitoring:** We strongly recommend that parents regularly monitor their children's devices and consider setting age-appropriate limits on their online access.
- **Common Area Access:** Internet use should ideally occur in common areas of the home, not in children's private spaces, to facilitate easier monitoring of online activities.
- **Awareness of Risks:** Internet access through phones and video games can expose children to people, information, and ideas that you might otherwise reject. Parents should stay vigilant about potential risks.

Cyberbullying Awareness:

- **Serious Concern:** Cyberbullying is taken seriously at The Biome School. While we educate our community about internet safety, we cannot monitor students' online behavior at home.
- **Reporting:** If your child experiences cyberbullying involving a member of The Biome community, or if you suspect such behavior, please contact the school administration promptly.

Accountability:

- **School Response:** If social media interactions affect the school environment, appropriate actions will be taken in line with our accountability policy.

Conclusion:

At The Biome School, we prioritize creating a safe and respectful online environment. By working together with families, we aim to foster responsible internet use among our students. Thank you for your cooperation in promoting a positive digital experience for all.

What is a Charter Public School?

A charter school is a public school that is organized differently than traditional district public schools. A charter public school is governed by an independent school board whose only focus and

responsibility is that school. This allows charter schools to be hyper-responsive to the needs of students and families enrolled in them. In exchange for this independence and freedom, charter schools operate under contracts (or “charters”) that allow them to be closed or replaced for failing to reach specific academic and non-academic goals, or for failing to operate in a responsible manner. Charter public schools are public schools, they are free and open to all students in the districts where they operate and are accountable for specific results.

How are charter public schools accountable?

Charter public schools are held accountable in many of the same ways traditional public schools are held accountable. As a different public-school model, however, there are accountability mechanisms unique to charter public schools.

A charter public school must have a sponsor to open and continue operating (in Missouri, sponsors are typically colleges and universities). A Missouri charter public school is accountable to its sponsor for specific academic and non-academic outcomes outlined in the school “charter” (or contract). Charter public schools are also accountable to the Missouri Department of Elementary and Secondary Education (DESE). Most significantly, however, charter public schools are accountable to the students and families attending them. If charter public schools are not delivering value to the families enrolling in them, they will close regardless of performance or promises.

Saint Louis University - Public School Partnerships

Charter public schools in Missouri require sponsorship from a university to provide oversight and support to the school.

Echoing the disciplinary and methodological diversity evidenced and valued by its faculty, Saint Louis University embraces and seeks to serve the children of St. Louis, Kansas City, and across Missouri in the multiple educational settings and formats available throughout the area.

Saint Louis University recognizes that no one educational method or system is best for all students, and that the breadth of schooling options remains one of St. Louis' and Kansas City's greatest strengths. They champion student learning and development first and foremost, and they support efforts across the educational spectrum that best enable students to reach their full potential.

STUDENT INFORMATION

Admissions

The Biome is a K-5, tuition-free, and public charter school. The Biome shall not discriminate on the basis of race, color, religion, sex, national or ethnic origin or physical handicap or disability, with regard to the recruitment or admission of learners to programs, activities or courses or the rights or privileges accorded or made available to learners. Recruitment, admission, educational policies, and other school-administered program decisions shall be based upon qualifications of the learners and other nondiscriminatory factors.

If applying for kindergarten your child needs to be five years old prior to September 1st when applying for the upcoming school year.

Registration Steps

- ❖ Review the website and complete the pre-enrollment form prior to the lottery date.
- ❖ Sign-up to tour the school.
- ❖ If accepted, attend a registration session to receive important documents and complete enrollment paperwork.

Seats are not secured until the entire registration process has been completed.

Enrollment Requirements

To enroll you must be a resident of the City of St. Louis and provide the following items:

- ❖ **Immunization records** - Under the Missouri Code of Regulations, Immunization Requirements for School Children 19 CSR 20-28.010, it is vital that our families partner with the school to ensure that every learner is protected.
- ❖ **Original Birth certificate**
- ❖ **Parent or Guardian ID**
- ❖ **Custodial Plan if applicable**
- ❖ **Proof of residency (City of St. Louis)** – Proof of residency includes a lease agreement, mortgage statement, or current paid real estate tax statement, or an original, current home utility bill (gas, water, or electric), which provide the name and address.
- ❖ **Individualized Education Plan or Section 504 documentation** or other specialized instruction information including

Arrival & Departure Procedures

The revised arrival and dismissal procedures meet the City of St. Louis Health Department requirements and aim to help keep our staff, families, and learners safe.

The Biome School is open Monday through Friday from 7:15 AM until 6:00 PM

- ❖ **School Arrival:** 7:15 AM – 7:50 AM (Breakfast)
- ❖ **School Day:** **8:00 AM** – 3:00 PM
- ❖ **Pick-up:** 3:00 PM – 3:15 PM
- ❖ **After Care:** 3:00 PM – 6:00 PM

Morning Arrival

Please note: Learners can be dropped off for the regular school day beginning at 7:15 AM

Evening Departure

We will begin dismissal from class at **3:00 PM**. All learners will wait with staff to be picked up. We will attempt to make pickup flow as smoothly as possible. Car riders and children walking home from school with parents will exit the main building and will be supervised and escorted to your vehicle by a staff member. Parents will receive a placard from the office to display in their vehicles. A maximum of two placards will be provided to each family and are used as part of our safety procedures to ensure that learners are released to the approved adults. Your child will be released to individuals with your family's placard. Please make sure it is kept in a safe place. A placard is required for pick-up. Replacement or extra placards are available through the main office.

Drive-through pick up will be from 3:00 PM - 3:15 PM each day. Beyond that point, learners will go to the front office to wait to be picked up from that location. **If a child is not picked up by 3:15 PM, there will be a charge of \$15.00. An additional charge of \$10 will be assessed for each additional 15-minute interval.**

Non-Parent Pick-Ups

Please make sure that The Biome has a list of all people other than parents who are authorized to pick up a child. We appreciate a reminder call when this pick up is out of the ordinary. After checking the authorized list, we will check the person's ID before the child is released. If the person is not on the list, the child will not be released to them unless you come in to add them to the list.

Late Pick-Ups

If you are unexpectedly delayed at dismissal time, parents should call the school immediately. Leave a message on the school voice mail if no one can answer your call. **If a child is not picked up**

by 3:15 PM, there will be a charge of \$15.00. An additional charge of \$10 will be assessed for each additional 15-minute interval.

Attendance

- ❖ **School Arrival:** 7:15 AM
- ❖ **School Day:** 8:00 AM – 3:00 PM

Learners should not arrive on school premises prior to 7:15 AM, as there is no adult supervision available at this time.

Regular school attendance is essential to a learner's ability to learn and to flourish at The Biome.

☑ **Absenteeism, tardiness, and early departures** place your children at a disadvantage and impacts their ability to participate fully with their fellow learners. Your family can support the academic progress of your child and other learners, as well as contribute to the financial health of The Biome by ensuring regular, on-time attendance.

Parents must call the school if a learner will be tardy or absent. The main office opens at 7:15 AM. It is The Biome's policy to contact parents regarding a learner's unexcused absence on the day of the absence.

Chronic Absenteeism

☑ Chronic absenteeism, defined as missing 10% or more of school days due to absence for any reason, poses significant challenges to students, families, and educational institutions alike. At [School/Organization Name], we recognize that regular attendance is crucial for academic success and overall well-being.

Impact on Academic Achievement: Consistent attendance directly correlates with academic performance. Students who are frequently absent often struggle to keep up with coursework, leading to lower grades and reduced learning outcomes. This pattern can hinder their long-term academic progress and potential.

Long-Term Educational Outcomes: The effects of chronic absenteeism extend beyond immediate academic setbacks. Students who miss substantial amounts of school are at a higher risk of academic disengagement, dropout, and reduced opportunities for post-secondary education and career success.

Collaborative Approach: Addressing chronic absenteeism requires a collaborative effort between families, schools, and community stakeholders. By promoting a culture of attendance

Research shows that missing 10 percent of the school, or about 18 days in most school districts, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absence.

awareness and providing support to students and families facing barriers to attendance, we can mitigate the impact of absenteeism and support every student's path to academic achievement and personal growth.

Conclusion: At The Biome, we are committed to fostering a positive learning environment where every student can thrive. We encourage families to prioritize regular attendance (90% or more) and partner with us in promoting a culture of attendance excellence. Together, we can ensure that every student can reach their full potential.

Early Dismissal

Parents should make every effort to adhere to regular dismissal times. Help your child attain a 95% or better attendance rate by scheduling appointments in advance and on non-school days. If a child needs to be dismissed early, the parent must send a note to school with the child or call the school. Due to end of day activities, learners will **not** be dismissed through the front office after 2:30 PM. **After 2:30 PM, learners** must be picked up through the carpool dismissal process.

Parents must provide the main office with names and telephone numbers of adults who may pick up their child. Parents should update the names in person. **Only authorized adults, age 18 or older, whose names are on the emergency list for the child in the main office, may pick up that child. Photo identification is required for picking up learners. Please advise any adult picking up your child that a photo id is required.**

Late Arrival

 Learners are tardy when they are not in the classroom by 8:00 AM. If your child arrives after the designated time, the parent must accompany the learner to the front office and sign the child in. The learners will receive a pass from the office.

As a reminder to families, excessive tardiness and absences have a negative impact on your child's opportunity to learn.

School Closings

Full Day School Closings Due to Inclement Weather

Most emergencies involve the weather. Procedures have been developed to ensure safety and security for all children when they are under the care of The Biome School. Parents are encouraged to keep informed of weather patterns and possible school closings and to make sure childcare arrangements are in place for emergency closing of school.

If school is closed, it will be broadcast on local television. Additionally, closures will be posted on The Biome website and Biome families will receive notification by email, phone, or Parent Square.

Early Dismissal Due to Emergencies

In the case of early dismissals due to emergency school closings, families should have a plan in place for their child to be picked up from school. If an early dismissal is necessary, attempts will be made to notify parents/guardians by email, phone and/or text. We will also attempt to communicate with parents about cancellation of the aftercare program. If you think that there may be a change in dismissal time, please call the main office at 314-531-0982.

Food Service Program and Policies

Breakfast and Lunch Programs

Breakfast ends at 7:50 AM. Students arriving after 7:50 AM will receive an alternative breakfast.

Learners can bring a lunch from home or receive a pre-ordered meal. Lunches brought from home must be ready to eat. Learners will not have access to refrigeration or a microwave.

Please visit <https://thebiomeschool.org/meals/> for current menus.

Ordering Meals at School – EZ Lunch APP

 GET FROM WEBSITE EZ Schools APPS makes ordering breakfast and lunch a breeze at The Biome. Every parent must have an EZ School Account through EZ APPS. This system allows you to pay online and allows The Biome School to process all payments. If you have not created an EZ School Account, please follow the instructions here. If you already have an EZ School Account, go to STEP 2.

Orders need to be placed by Sunday at midnight for the upcoming week. After this time no further orders can be made. Learners who did not order breakfast and/or lunch and need a meal will be served a healthy alternative. You are required to order for a week at a time; however, you are welcome to order for the entire month if you choose.

If your child(ren) qualifies for Free & Reduced Meals, you are NOT required to pre-order meals.

It is important to note that The Biome is required to pre-order and pay for hot meals from our vendor based on the number of meals that have been pre-ordered by parents. This new pre-ordering system will help us manage food costs and limit food waste!

For assistance, please email meals@thebiomeschool.org

EZ School Apps

Parent Signup Instructions

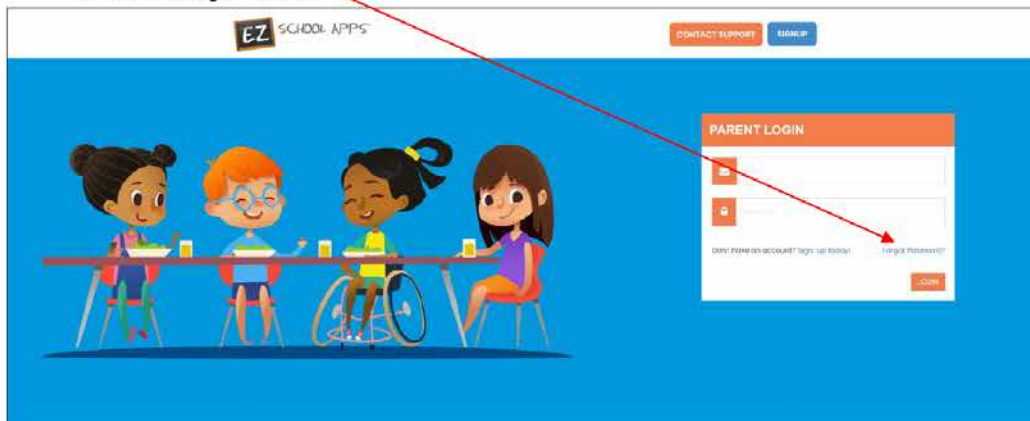

Overview

If you have received this document, your school needs you to create your parent account. This guide will show you the following:

Returning Parent Instructions

How to Login (Returning Parent)

1. Go to www.ezschoollapps.com/login/parent.
2. If you are a returning parent and remember your email address and password just login. If not...
3. Click on Forgot Password.

4. Enter your email address from the previous year.
5. If you get this popup, click close and follow the New Parent Signup Instructions.

6. Click on the link in your email to reset your password.

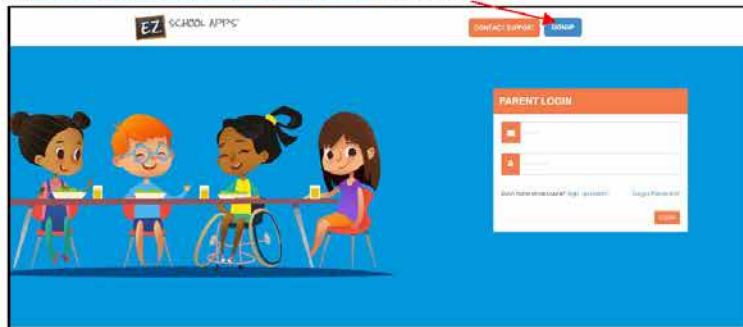

7. If you need an additional student you will find the instructions when you login, click on the download instructions.

New Parent Signup Instructions

How to Signup

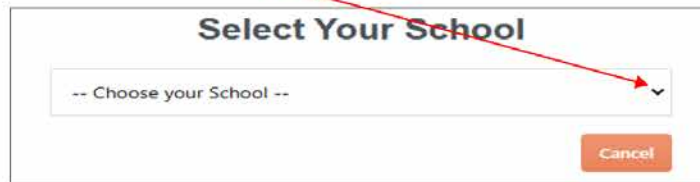

1. Go to www.ezschoollapps.com/login/parent, click on SIGNUP

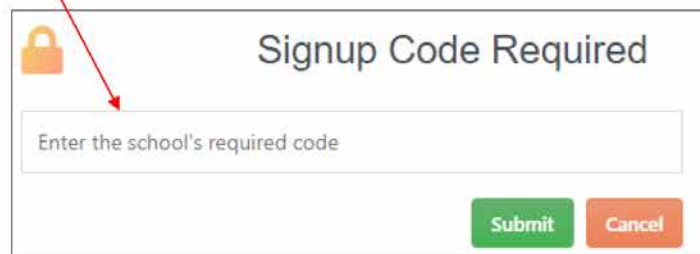

2. Type in the school's zip code in the box and click Submit.

3. Use the dropdown to select your school.

4. If you see the pop-up below the school should have sent you an access code. Please contact the school if you did not receive the code from them. If the school did not create an access code you will not see this pop-up so skip to the next screen.

5. If the code is successful or the school does not require an access code, then the below screen will appear. Type in the required information in the boxes below:

6. Please remember to create a password with **letters** and **numbers** only

7. Click Send Account Creation Request. (Your registration is successful if you see the box below.)

Food Policies

To maximize the learning and health of The Biome’s learners, staff and families, The Biome School encourages and models healthy nutritional practices. **Learners are not permitted to bring sodas as part of their snack or lunch.** The Biome discourages against other unhealthy options including sugary drinks (sugary juice, etc.), candy and sweets (including gum), or junk food.

These foods are not only unhealthy but also make it hard for learners to concentrate and leave them feeling lethargic. **If sodas are brought to school, learners will not be allowed to consume them.**

Several studies show that nutritional status can directly affect mental capacity among school-aged children. (Source: <http://articles.extension.org/pages/68774/3-ways-nutrition-influences-student-learning-potential-and-school-performance>)

Bringing Lunch to School

If your family decides to provide lunch, don’t forget a healthy, balanced lunch each day, packed so it **does not need refrigeration or warming.** (We cannot put food in the refrigerator or warm it in the microwave). We prefer soft, insulated lunch bags. Cold packs that go into the freezer each night are great for keeping food cool. Insulated containers can keep food warm.

Please consider packing a lunch that is as “trash-free” as possible: pack things in reusable containers and try to avoid individually packaged items.

Food Allergies

☒ If learners have severe allergies, an allergy-sensitive table will be designated in the cafeteria. Learners with noted food allergies will sit at this table. Learners who have purchased a school lunch will also have the option to sit at this table. **Please check to ensure that your child’s food allergies are documented with our staff.**

Special/Celebration Snacks

Classroom celebrations are a special time for learners. Parents invited to donate snacks for special events should ensure that items are store-bought and refrain from purchasing items with peanuts or tree nuts listed as primary ingredients. While sweet snacks can be fun, The Biome prefers healthier snack options for special events.

Birthday Celebrations

Birthday celebrations are allowed and encouraged. Please adhere to the following protocol:

- All learners must be included – bring enough store-bought treats for the entire class
- Treats should be store bought and nut free
- Drop-in times must be coordinated with your child’s classroom leader

Care of School Property

Parents and learners will be held responsible for the proper care of all books, supplies, devices, accessories, facilities, and equipment furnished to them by The Biome. **Parents of learners who deface, damage, or lose school property shall be required to pay for the damage or loss.** All textbooks and instructional resources (including student planners) are furnished by the school and are the student's responsibility. The school is not responsible for textbooks or resources that are either lost or stolen from a student. If a learner does not return a textbook or resource, the student who was issued the resource is responsible for its replacement cost. The teacher and student will note the condition of books or technology resource before checking them out. Learners are then responsible for the condition of the books until they are returned to the teacher. If a book or device is damaged, the learner's parent will be assessed the cost of repair or replacement of the text.

School Visits

We welcome parent visits to our school. Parents are encouraged to visit and observe in their child's class(es). All meetings with teachers must be scheduled with your classroom leader. There are a few guidelines to keep in mind when you visit and/or call our campus.

- ❖ All visitors must report to the main office to sign in and obtain a visitor's badge.
- ❖ While unscheduled visits by parents are allowed at The Biome, scheduled visits are preferred.
- ❖ Visits are preferred between 9 AM and 2 PM
- ❖ Parents must schedule an appointment if they wish to conference with a Classroom Leader.
- ❖ Conferences will be scheduled when the classroom leader is available.
- ❖ When you are ready to leave the campus, you must return to the main office to sign out and return your visitor's badge.

 To protect instructional time, parental calls will not be transferred into classrooms during instructional time. In case of an emergency, office staff will bring your learner to the office immediately to return your call. All learner phone calls will be made and returned from the main office.

Visitors who create serious distractions to the learning environment in the building or on the premises may be subject to trespass.

School Uniform Guidance

☒ Effective learning at The Biome starts with our community and culture. It is our policy that all Biome learners wear a school uniform when attending school or when participating in a school event outside normal school hours, unless exempted by the Principal on designated days. A sharp and tidy appearance helps instill belonging, discipline and pride. **The Biome Logo is required on all uniforms.**

Aims and Objectives

- ❖ To promote a sense of identity and pride for Biome students
- ❖ To denote the current grade level
- ❖ To engender a feeling of community and belonging
- ❖ To eliminate distractions

Roles and Responsibilities

Vice - Principal

- ❖ Implements the policy on a day-to-day basis
- ❖ Responsible for ensuring that standards are maintained

Staff

- ❖ Support the Vice-Principal in maintaining high standards of uniform dress
- ❖ Models appropriate dress
- ❖ Make discreet and sympathetic enquiries when students are not in uniform
- ❖ Inform the Principal of habitual violations of the School Uniform Policy

Parents/Caregivers

- ❖ Ensure their students are wearing the correct uniform and are ready to learn
- ❖ Ensure that their child's school uniform is clean and in good condition

Leaners

- ❖ Wear the correct school uniform when attending school, representing the school, or participating in school events
- ❖ Wear their uniform with pride
- ❖ Keep their uniform clean and tidy – shirts tucked

Uniform Requirements

Kindergarten – 2 nd Grade		
Required Uniforms		
Boys	Solid Blue or Tan Khakis (No Distressed Pants)	Long/Short Sleeved Red Polo Shirts (With School Logo)
Girls	Blue and Gold or Solid Blue/Tan Jumpers	
Add-ons		
Red Sweater Vest or Red Cardigan (No Logos or Hoodies)		
Red Biome Logoed Crew Neck Sweater		
3 rd Grade and 4 th Grade		

Required Uniforms		
Boys	Tan Khakis with belt (No Distressed Pants)	Long/Short Sleeved Navy – Blue Polo Shirts (With School Logo)
Girls	Tan Skirts	
Add-ons		
Navy – Blue Sweater Vest or Blue Cardigan (No Logos or Hoodies)		
Navy – Blue Biome Logoed Crew Neck Sweater		
5 th Grade		
Required Uniforms		
Boys	Solid Navy – Blue or Tan Khakis with belt (No Distressed Pants)	Long/Short Sleeved White or Light Blue Polo Shirt (With School Logo)
Girls	Tan or Navy-Blue Skirts	
Provided by The Biome		
Two (2) Boys and Girls Classic School Blazer with logo		
Add-ons		
Navy – Blue Sweater Vest or Blue Cardigan (No Logos or Hoodies)		
Navy – Blue Biome Logoed Crew Neck Sweater		

Uniform Store Info

<https://www.frenchtoast.com/schoolbox/schools/the-biome-school-QS618AM>

Proper Wear

- ❖ All shirts (except sweatshirt) must be tucked into pants at all times.
- ❖ Pants must be worn at the waist and if secured with a belt, it must be black or brown.
- ❖ Skirts and shorts must be worn at or below the knee.
- ❖ Open toe and open back shoes are not permitted.
- ❖ T-shirts may be worn under uniform shirts, however, if visible, it must be white.

K – 1 Learners must have a spare set of clothes in a zip lock bag with their name on it in their backpack. The spare clothes will be removed from the learners' backpack and be kept at school in case of an accident or unexpected illness. Having that spare pair of underwear, socks, etc., can lessen the anxiety when accidents happen. (The spares do not have to be uniform clothing, but having a spare uniform allows for a more discrete change.)

Learners are strongly encouraged to keep track of their clothing. Parents should label all items with permanent markers. The Biome School is not responsible for any items the child may have lost. **All unclaimed items are donated to a local charity at the end of each semester.**

Emergency Drills

To remain in compliance with the state law and safety regulations, emergency drills (fire, tornado, earthquake, intruder alert and evacuation) are held throughout the school year. School

administration, in cooperation with the appropriate city departments, coordinates the school safety programs and schedule for drills.

Field Trips

Classroom leaders will plan occasional field trips for a specific educational purpose. A child must have a field trip permission slip completed and signed by the parent for the learner to participate. The teacher will also send a notice home prior to each field trip to let parents know what is planned. If a parent, for any reason, does not wish for her or his child to participate, they should inform the child's teacher with a note. Arrangements will be made for the child to remain on school grounds with another class/teacher.

Walking field trips to the local library, park, etc., may occur as part of our teaching and learning. A walking field trip permission slip will be sent home at the beginning of the year to cover those occasions.

Visits to gift shops are not allowed during field trips. Field trips are designated for learners enrolled in The Biome School as part of the curriculum. Siblings or other school-aged or non-school-age children are not allowed on field trips.

Your child's classroom leader will provide a notice when chaperones are needed.

School Supplies

School supply lists are sent home and are specific to each grade level. You can also find the supply lists on the school's website. The Biome does have general supplies for those who need them and/or special projects.

Law Enforcement Interactions

Interview or Interrogation

The Biome has legal jurisdiction over learners during the school day and hours of approved extracurricular activities. The school administration is responsible for protecting each learner's rights with respect to interrogations by law enforcement officials. When law enforcement officials find it necessary to question learners during the school day or periods of extracurricular activities, the school Principal or designee will be present, and the interview will be conducted in private.

The Principal will verify and record the identity of the officer or other authority and request an explanation of the need to question or interview the learner at school. The Principal ordinarily will make reasonable efforts to notify the student's parents/guardians.

Removal of Learners from School

Before a learner at school is arrested or taken into custody by a law enforcement officer or other legally authorized person, the principal will verify the official's authority to take custody of the learner. The school principal will attempt to notify the learner's parent/guardian that the learner is being removed from school, unless otherwise advised by law enforcement.

School Searches

Furniture is property of The Biome School and is provided for the convenience of learners, and as such, is subject to periodic inspection without notice, without learner consent, and without a search warrant. Furniture, cubbies, and lockers may be searched by school administrators or staff who have a reasonable suspicion that the furniture contain drugs, alcohol, material of a disruptive nature, stolen properties, weapons, items posing a danger to the health or safety of learners and school employees, or evidence of a violation of school policy. In addition, the Board authorizes the use of trained dogs to sniff lockers or other school property to assist in the detection of the presence of drugs, explosives, and other contraband.

Learners or learner property may be searched based on reasonable suspicion of a violation of The Biome rules, policy, or state law. Reasonable suspicion must be based on facts known to the administration, credible information provided, or reasonable inference drawn from such facts or information. The privacy and dignity of learners shall be respected. Searches shall be carried out in the presence of adult witnesses, if such witnesses are available. Learners may be asked to empty pockets, remove jackets, coats, shoes and other articles of exterior clothing for examination if reasonable under the circumstances. No employee shall perform a strip search of any learner.

Law enforcement officials shall be contacted if the search produces a controlled substance, drug paraphernalia, weapons, stolen goods, or evidence of a crime, in any case involving a violation of law when a learner refuses to allow a search, or where the search cannot safely be conducted. Parents will also be contacted.

Media Release

 The Biome occasionally documents school-related activities, events, and achievements through various media channels, including but not limited to photography, videography, and social media. These media materials may be used for educational, promotional, or informational purposes by The Biome. Please see the medial release statement in the appendix of this document.

Electronic Devices

The possession of laser pointers and other unsafe electronic items is prohibited in the school buildings. Learners should not bring tablets or laptops, as The Biome provides those devices. All

other electronic devices, such as, but not limited to, cell phones should remain at home or in your child's backpack for the entire school day. Phones or other electronic devices may be confiscated by your child's classroom leader and returned at the end of the school day. Our recommendation is that electronic devices are kept at home. The Biome School will not be responsible for lost or stolen items.

Personal Items

Please leave all electronics, money, toys, cell phones, and anything fragile or valuable at home unless specifically requested by classroom leaders. Leave anything that could be construed as a weapon, such as a Swiss Army knife at home.

Learners are not allowed to use personal cellular phones, recording devices, or handheld video games or any other electronic devices while at school. Failure to comply with this request may result in the personal item being confiscated and held until parents can retrieve the personal item from our Vice Principal.

Pledge of Allegiance

The Biome shall ensure that the Pledge of Allegiance is recited in at least one scheduled period no less than once a week. No student shall be required to recite the Pledge of Allegiance.

Records Request

A cumulative educational record shall be maintained for each learner from her/his entrance into school through the last date of attendance or through graduation, whichever occurs first.

Each learner's educational record will include information required by state and federal statutes, regulations, or agencies and shall include other information considered necessary by school officials.

The Biome will comply with the mandates of the Family Educational Rights and Privacy Act (FERPA) and the Safe Schools Act regarding confidentiality of student records and disclosure of personally identifiable information.

The parents/guardians of learners who are attending or have attended The Biome have the right to inspect and review the educational records of their child(ren) and to request amendment of their learner's educational records. The Biome has procedures for the granting of parental requests for access to the educational records of their learners within a reasonable period of time, but in no case more than forty-five (45) days after the request is made.

All information contained in a learner's educational record, except information designated as directory information by The Biome, shall be confidential and shall be directly accessible only to school officials who demonstrate a legitimate educational interest in the learner's records and to parents/guardians or eligible students.

Student Use of Technology Resources

Learners will have access to web-based tools, digital resources and applications that support curricular objectives, and these online services may collect, use and disclose personal information (such as student names and email addresses). These online services are only permitted for the use and benefit of the school for the purpose of student learning. In accordance with Board policies and regulations, learners will be strongly discouraged from providing any other personal information.

Parents and guardians should contact their child's teacher if additional information is needed about websites and online services being used for learning in their child's classes.

ACADEMIC PROGRAM

Learner Goals

☑ At The Biome we believe the process of learning is as equally important as "the product." **An emphasis on inquiry and the construction of knowledge is evident in all that we do.** We don't deliver content, but "uncover" it together. Classroom Leaders model themselves as learners and demonstrate the value of lifelong learning. We know that if we create individuals who understand the "how" and "why" of learning, success and achievement will follow.

Assessment of learning is individualized and varied. All learners complete the i-READY 360 assessment tool that provides valuable data to our team about understanding of literacy and math skills. Informal assessments such as individual conferences, goal setting, surveys, and observations of learner behavior and participation happen daily.

Parent-teacher conferences are led by Classroom Leaders twice per school year, in addition to quarterly report cards. Though these are the opportunities for more formal communication, parents are always encouraged to contact our staff with any questions or concerns they might have. Likewise, our staff will reach out to share information with parents on a frequent basis.

Learner Promotions and Retentions

☑ At The Biome, we base grade level promotions on academic competence and readiness. We know that it is our responsibility to ensure that all students are ready to perform as they progress through our school, and for some learners, it means giving them the 'gift of time.' This strict promotion policy is especially essential in our primary (Grades K-2) program. Building a strong foundation will provide our learner with the tools needed to excel in our primary program, secondary program (Grades 3 – 5), and beyond.

To that end, Biome educators provide instruction, guided practice, interventions, and enrichment aimed to address the distinct needs of individual learners. With a focus on grade level expectations, we provide instruction that targets whole groups, small groups, and individual learners. In our efforts to make decisions about promotion and retention, we assess the overall progress of learners, taking into account their academic growth, social-emotional development, attentiveness, follow-through, and academic engagement. The table below provides the criteria that The Biome will use to assess a student's readiness to proceed to the next grade level.

The Biome School: 2025 – 2026 Promotion Criteria

Kindergarten	<p><u>For promotion to 1st Grade, a Kindergarten student must:</u></p> <ul style="list-style-type: none"> • Meet (or be consistently progressing toward) Kindergarten expectations in literacy • Meet (or consistently be progressing toward) Kindergarten expectations in mathematics • Consistently exhibit the social, emotional, and behavioral skills to engage in whole group, small group, and one-on-one learning • Be able to attend to in-class tasks individually or with limited support • Exhibit readiness for 1st Grade as indicated by performance on daily assignments, unit assessments, and district tests (i.e., I-Ready)
1st Grade	<p><u>For promotion to 2nd Grade, a 1st Grade student must:</u></p> <ul style="list-style-type: none"> • Meet (or be consistently progressing toward) 1st Grade expectations in literacy • Meet (or consistently be progressing toward) 1st Grade expectations in mathematics • Consistently exhibit the social, emotional, and behavioral skills to engage in whole group, small group, and one-on-one learning • Be able to attend to in-class tasks individually or with limited support • Exhibit readiness for 2nd Grade as indicated by performance on daily assignments, unit assessments, and district tests (i.e., I-Ready)
2nd Grade	<p><u>For promotion to 3rd Grade, a 2nd Grade student must:</u></p> <ul style="list-style-type: none"> • Meet (or be consistently progressing toward) 2nd Grade expectations in literacy • Meet (or consistently be progressing toward) 2nd Grade expectations in mathematics • Consistently exhibit the social, emotional, and behavioral skills to engage in whole group, small group, and one-on-one learning • Consistently attend to in-class tasks and assigned work independently • Exhibit readiness for 3rd Grade as indicated by performance on daily assignments, unit assessments, and district tests (i.e., I-Ready)
3rd Grade	<p><u>For promotion to 4th Grade, a 3rd Grade student must:</u></p> <ul style="list-style-type: none"> • Meet (or be consistently progressing toward) 3rd Grade expectations in literacy • Meet (or consistently be progressing toward) 3rd Grade expectations in mathematics • Consistently exhibit the social, emotional, and behavioral skills to engage in whole group, small group, and one-on-one learning • Independently attend to in-class tasks • Independently complete and submit assignments • Exhibit readiness for 4th Grade as indicated by performance on daily assignments, unit assessments, district tests (i.e., I-READY), and state tests (i.e., MAP)
4th Grade	<p><u>For promotion to 5th Grade, a 4th Grade student must:</u></p> <ul style="list-style-type: none"> • Meet (or be consistently progressing toward) 4th Grade expectations in literacy • Meet (or consistently be progressing toward) 4th Grade expectations in mathematics • Consistently exhibit the social, emotional, and behavioral skills to engage in whole group, small group, and one-on-one learning • Independently attend to in-class tasks • Independently complete and submit assignments • Exhibit readiness for 5th Grade as indicated by performance on daily assignments, unit assessments, district tests (i.e., I-Ready), and state tests (i.e., MAP)
5th Grade	<p><u>For promotion to 6th Grade, a 5th Grade student must:</u></p> <ul style="list-style-type: none"> • Meet (or be consistently progressing toward) 5th Grade expectations in literacy • Meet (or consistently be progressing toward) 5th Grade expectations in mathematics

The Biome School: 2025 – 2026 Promotion Criteria	
	<ul style="list-style-type: none"> • Consistently exhibit the social, emotional, and behavioral skills to engage in whole group, small group, and one-on-one learning • Independently attend to in-class tasks • Independently complete and submit assignments • Exhibit readiness for 6th Grade as indicated by performance on daily assignments, unit assessments, district tests (i.e., I-Ready), and state tests (i.e., MAP)

Students who do not meet the criteria for promotion will be retained at the current grade level. Retention decisions can be challenging, but they are carefully considered and are made to ensure that learners have developed the foundational skills and knowledge for long-term academic growth and high-level learning.

Throughout the school year, classroom leaders carefully observe the academic growth of students and communicate concerns to the principal, Collaborative Care Team, and the family. Identified concerns and learning gaps are assessed by the classroom leader and/or a designated interventionist, and learning supports may be implemented (e.g., modified assignments/assessments, one-on-one learning sessions). When a learner experiences academic challenges, the school-family partnership becomes increasingly more important and consistent communications between home and school are essential. Each grading period (i.e., quarter) provides a natural time for assessing student progress, communicating concerns, adjusting interventions, and implementing new strategies. The table below outlines scheduled times for communicating information about student progress, but for some learners, more frequent communications will be required.

The Biome School: 2025-2026 Schedule for Academic Communication	
First Quarter	<p><u>During the First Quarter:</u></p> <ul style="list-style-type: none"> • The classroom leader and parent/guardian discuss the learner's progress and any academic, social, emotional, and/or behavioral concerns during the October conference. • As appropriate, intervention plans will be discussed. • As appropriate, the classroom leader will provide suggestions for supporting student learning at home. • The classroom leader will use the report card to explicitly communicate whether the student is meeting expectations, progressing toward expectations, needing additional support, or requiring urgent intervention.
Second Quarter	<p><u>During the Second Quarter:</u></p> <ul style="list-style-type: none"> • Open communications continue between home and school. • As appropriate, implemented interventions continue and are assessed. • As appropriate, the classroom leader will provide suggestions for supporting student learning at home. • The classroom leader will use the report card to explicitly communicate whether the student is meeting expectations, progressing toward expectations, needing additional support, or requiring urgent intervention.

The Biome School: 2025-2026 Schedule for Academic Communication	
Third Quarter	<p><u>During the Third Quarter:</u></p> <ul style="list-style-type: none"> • Open communications continue between home and school • As appropriate, implemented interventions continue or are adjusted. • As appropriate, the classroom leader will provide suggestions for supporting student learning at home. • As appropriate, the classroom leader, principal, and assigned interventionist(s) discuss the student's progress and readiness for promotion. • The classroom leader and parent/guardian discuss the learner's progress and any academic, social, emotional, and/or behavioral concerns during the March conference. • The classroom leader will use the report card to explicitly communicate whether the student is meeting expectations, progressing toward expectations, needing additional support, or requiring urgent intervention. • The principal will communicate promotion and retention decisions.
Fourth Quarter	<p><u>During the Fourth Quarter:</u></p> <ul style="list-style-type: none"> • Open communications continue between home and school. • As appropriate, implemented interventions continue and are assessed. • As appropriate, the classroom leader will provide suggestions for supporting student learning at home. • The classroom leader will use the report card to explicitly communicate whether the student is meeting expectations, progressing toward expectations, needing additional support, or requiring urgent intervention.

Our Curriculum

A primary goal of our parents is to ensure that their children are prepared to be successful and ready to master future challenges and opportunities. At The Biome, our curriculum provides learners with strong foundational skills along with opportunities to explore their curiosities through meaningful and authentic experiences. Growth Mindset is at the heart of our philosophy. We believe learners should have the space to explore and to make mistakes, as that is how we learn best. Our interdisciplinary projects allow learners to explore a variety of interests while deepening their understanding of core subjects. Ultimately, we lead our learners to develop their academic mastery and provide them with the necessary experiences to succeed as they advance through and eventually graduate from our school.

Philosophy

More than a school, The Biome is an ecosystem where classroom leaders, parents, and community members work together to empower students with the tools they need to reach their fullest potential. Using researched and evidence-based practices, The Biome offers a model for integrating individualized learning and STEM (Science, Technology, Engineering, and Mathematics) education. We understand the importance of the early school-aged years in laying the foundation

for ongoing well-being and academic achievement. Our model's three elements create a unique educational experience for each learner.

Academic Rigor

The Biome offers a safe environment, encouraging children to take academic risks. At The Biome, inquiry-based learning is not applied to science alone but to every subject within our STEM school. Classroom leaders guide learners through problem-based and student-centered learning activities designed to help them deepen their knowledge and bring personal ideas and concepts to their educational experience. Through the repetitive process of inquiry, children learn what to ask, conduct investigations and think critically.

Experiential Learning

At The Biome, we believe learning should not be confined to the classroom. In our Primary Program, learners are offered a range of thoughtfully planned experiential learning opportunities that ensure meaningful learning in safe, immersive, and engaging environments. Framed within an inquiry-based model, our learners explore some of what our city has to offer.

Student Well Being

At The Biome, we aim to help children learn, build healthy habits, and develop positive relationships. Well-being in our Primary Program is founded on these principles as learners are supported in their journey toward perseverance, self-care, and self-regulation. As our learners grow and graduate from our Primary Program, they are prepared to develop their leadership skills in our Intermediate Program.

School Spirit

The Biome will offer different opportunities throughout the school year for families, staff, and learners to demonstrate their school spirit.

As The Biome grows, learners will be invited to contribute to school spirit activities and ideas to promote a strong sense of school pride for all of The Biome's stakeholders.

Homework

Homework assigned to learners must be purposeful and must provide an opportunity for reinforcing concepts learned during the school day. When assigned, homework must have a designated due date and expectations for each assignment must be clearly communicated to learners. In addition to providing students with opportunities to independently practice and refine skills learned at school, homework is a means by which students develop responsible learning practices and parents/guardians can observe and be involved in their child's learning.

Special Student Populations

The Biome will provide a free and appropriate education (FAPE) to all enrolled learners. Specifically, The Biome will develop and adopt policies, procedures, and programs to ensure that all learners (including those with Limited English Proficiency) identified for and requiring special education receive appropriate instructional and behavioral support, in accordance with federal and state laws.

The Biome's approach to serving all learners and special student populations is to ensure that we create a safe and secure learning environment, and train all classroom leaders and staff on the latest instructional strategies. High-quality instruction (i.e., differentiated, individualized, rigorous, and relevant) is expected of all of our Classroom Leaders and will be provided to all learners. Our belief and expectation is that learners with diverse needs, when provided with appropriate support and individualized attention, can and should participate in mainstream, inclusive classrooms. The use of additional personnel will ensure that learners with disabilities receive instruction in inclusive classrooms and are educated in the Least Restrictive Environment (LRE). Building upon ongoing assessment and progress monitoring, not just those identified for special education, The Biome will directly attend to the individualized needs of all learners.

The Biome Intervention Team

The Biome will formally convene an intervention team that is comprised of a Classroom Leader, our SPED Services Coordinator, a school administrator, and support staff member(s). The purpose of the intervention team is to find appropriate accommodations or modifications for learners who may be struggling academically or behaviorally, prior to the convening of an IEP team. The intervention team works with Classroom Leaders and learners to develop and monitor Tier 2 interventions for all learners as needed. It is our belief that learners who may need minor adaptations to instruction or targeted support would benefit more from the work of the intervention team rather than a referral for an IEP. The intervention team will monitor the impact of the Tier 2 intervention, using data to determine how learners are responding to the intervention and whether additional support or referral is necessary. If the interventions that the intervention team set in place are not sufficient, then the following IEP referral process will be started.

- ❖ Classroom Leaders, administrators, parents and support staff can recommend a learner for interventions, prior to an IEP being created, at which point the intervention team will convene.
- ❖ The intervention team will gather data and observations about the learner and her or his classes and behaviors and recommend a research-based intervention for the learner.
- ❖ After a pre-determined period, the team will reconvene and make a recommendation of continuing interventions or pursuing evaluation for special education services based on the gathered data and observations.

Special Education Referral Process

Parents, Classroom Leaders, administrators, and support staff can request that a child be evaluated for special education services at any time. If a parent requests that a child be evaluated, the parent must sign a consent form and be given a Notice of Action prior to the assessment. If a child is identified as having a disability, the IEP team will be convened within 30 days. The IEP team will consist of the special education service provider, the general education Classroom Leader, the Local Education Agency representative (LEA), parent or guardian and any other related personnel (therapists, counselors, etc.). The IEP Team will create the IEP for the learner and the special education classroom leader will work with general education Classroom Leaders and contracted therapists or specialists to ensure the accommodations and modifications are being met. Placement, or LRE, will be determined at this meeting. The IEP Team will meet at least once per year and the learner will be re-evaluated at a minimum once every three years.

Staffing of Student Services

Services to learners may be provided by Biome staff members or outside agencies depending on the learner's need(s). These services may include but are not limited to occupational therapy, speech and language therapy, physical therapy and any other services that learners may require through the IEP process.

Transportation

The Biome School does not provide transportation to and from school.

ELL Services

The Biome may enroll learners who have limited English proficiency. To help identify any such learners as early as possible, the primary language spoken at home is identified on the learner enrollment form. If the home language survey indicates a language other than English, or if the child's first language is not English, he or she will be screened using the WIDA-ACCESS Placement Test™ (W-APT). Parental consent is not required to administer this screening.

Once a learner is identified as an English Language Learner (ELL) and eligible for ESL services, The Biome will notify the parent/guardian within the first 30 days of school or within the first two weeks of the learner enrolling into The Biome, if entering sometime after the beginning of the school year. The notification will include an explanation, in a language clearly understood by the parent/guardian, that an annual English proficiency assessment will be administered until proficiency requirements are met.

Learners will no longer be classified as Limited English Proficient (LEP) once they have demonstrated attainment of language skills necessary to compete effectively with non-ELL learners in age and grade-level appropriate settings across all content areas. The learner will be ready to transition out

of language instruction educational programs once their English language proficiency is demonstrated in the following areas:

- ❖ Listening and speaking English
- ❖ Reading and comprehending academic English
- ❖ Writing in English
- ❖ Demonstrating English proficiency in academic subject areas

If ELL learners are enrolled, The Biome will ensure that at least one Classroom Leader has English for Speakers of Other Languages (ESOL) training. At the point when there are multiple ELL learners enrolled, The Biome will hire a certified ESOL Classroom Leader, in accordance with state policy. Content will be delivered in English with appropriate accommodations and modifications made to assist the learner. Whenever required, The Biome will contract with an interpreting agency to translate for parents or guardians. The Biome believes in immersion for ELL learners so whenever possible, learners will participate in the general education setting and the least restrictive environment.

McKinney-Vento Homeless Assistance Act Assurance

The Biome leadership will enact school policies and procedures in accordance with McKinney- Vento Homeless Assistance Act Assurance (42 U.S.C. 11431 et seq.). The Board of Directors will appoint a homeless liaison to meet the needs of the school's learners who are homeless. The Biome School's Homeless Policy and related policies have been developed by school leadership and approved by The Biome Board of Directors. The policy will include, but is not limited to, the following:

- ❖ The process for identification of learners who are homeless
- ❖ Provisions of comparable services to learners who are homeless
- ❖ Dispute resolution procedures
- ❖ Transportation accommodations
- ❖ Outline enrollment/placement of learners who are homeless in their school of origin versus the school of residency
- ❖ Homeless liaison and their duties under McKinney-Vento and identification of designated staff
- ❖ Student Enrollment and Records procedures to address education, immunization, medical, and an extended process for enrollment in accordance with McKinney-Vento legislation.

Non-Discrimination

The Biome School is a K-5, tuition-free, and public charter school. The Biome shall not discriminate on the basis of race, color, religion, sex, national or ethnic origin or physical handicap or disability,

with regard to (i) the recruitment or admission of students to programs, activities or courses or (ii) the rights or privileges accorded or made available to students. Recruitment, admission, educational policies, and other school-administered program decisions shall be based upon qualifications of the students and other nondiscriminatory factors.

To make a formal complaint that the Non-Discrimination Policy was violated, the Complainant should prepare, sign, and date a written statement of complaint. Complaints should be delivered to The Biome Compliance Officer in person, by e-mail, or mail at:

The Biome Compliance Officer: Bill Kent, President and CEO

MO DESE Complaint Procedure

Please see Appendix (II) for Missouri Department of Elementary and Secondary Education Every Student Succeeds Act of 2015 (ESSA) Complaint Procedures.

Parent's FERPA Educational Rights Annual Notification

Each year The Biome School is required to give notice of the various rights accorded to parents or learners pursuant to the Family Educational Rights and Privacy Act (FERPA). Parents and learners have a right to be notified and informed. In accordance with FERPA, you are notified of the following:

Right to Inspect

You have the right to review and inspect substantially all of your education records maintained by or at this institution.

Right to Prevent Disclosures

You have the right to prevent disclosure of education records to third parties with certain limited exceptions. It is the intent of this institution to limit the disclosure of information contained in your education records to those instances when prior written consent has been given to the disclosure, as an item of directory information of which you have not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate education interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with

whom the school has contracted to perform a special task (such as an attorney, auditor, consultant, or therapist); or a parent, student or volunteer serving on an official committee, such as a disciplinary or grievance committee. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill her or his professional responsibility.

Right to Request Amendment

You have the right to seek to have corrected any parts of an education record that you believe to be inaccurate, misleading, or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to your request.

Right to Complain to FERPA Office

You have the right to file a complaint with the Family Policy Compliance Office, U.S. Department of Education, Washington, D.C., 20202-4605, concerning The Biome School's failure to comply with FERPA.

Parent Rights – Right to Know

Public school districts, including charter schools, are required to inform parents of certain information that they, according to the Every Student Succeeds Act of 2015 (Public Law 114-95), have the right to know.

Upon request, The Biome is required to provide parents in a timely manner, the following information:

- ❖ Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- ❖ Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- ❖ Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.
- ❖ Whether your child is provided services by paraprofessionals and, if so, their qualifications.

In addition to the information that parents may request, The Biome School, which receives Title I.A funds, will provide each individual parent with the following information:

- ❖ Information on the level of achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title I.A.
- ❖ Timely notice that your student has been assigned or has been taught for 4 or more consecutive weeks by a teacher who has not met applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

Parents wishing to obtain of this information should contact the Principal.

Learners' Rights

All instructional and supplementary material which will be used in connection with any learner survey, analysis, or evaluation shall be available for inspection by parents/guardians of the learners. This requirement also applies to the collection, disclosure, or use of learner information for marketing surveys.

No learner shall be required to submit to a survey, analysis, or evaluation as part of a school program or marketing survey that requires learners to reveal personal information concerning:

- ❖ Political affiliations of the learner or learner's family;
- ❖ Mental and psychological problems of the learner or her/his family;
- ❖ Sexual behavior and attitudes;
- ❖ Illegal, antisocial or self-incriminating behavior;
- ❖ Critical appraisals of other individuals with whom respondents have close family relationships;
- ❖ Religious practices and affiliations;
- ❖ Legally recognized privileged or analogous relationships, such as those of lawyers, physicians and ministers; or
- ❖ Income, other than that required by law to determine eligibility for participation in a program or for receiving financial assistance.

The Charter LEA will give parents notice of their right to inspect surveys and instructional materials used in educating their children and of the right to opt their child out of participating in activities that concern any of the above eight areas.

SCHOOL BEHAVIOR

BEHAVIOR 
MATTERS

The Biome School Behavior Expectations

The Biome's School Behavior Expectations describes student behavior that is considered inappropriate or disruptive. It also provides a summary of procedures that may be used to prevent the acceleration of behavior and disciplinary responses that may be used if learners engage in stated behavior. The Biome supports the use of interventions that provide learners with guidance and support for success in and outside of school.

The Biome's goal with regard to discipline standards is to create a consistent, safe, supportive, and loving climate that:

- ❖ Maximizes learning and integrity
- ❖ Holds learners and staff accountable to high behavior standards
- ❖ Encourages learners to demonstrate self-management, good decision-making, and resilience
- ❖ Provides a safe and effective learning environment for all students

The Biome's Four Promises:

- I Promise to control my body
 - Appropriate touch
- I Promise to control my voice
 - Appropriate and honest language and tone
- I Promise to control my focus
 - Participate in the moment and follow directions
- I Promise to respect and work well with others

The Biome School Discipline Policy

Section 1 Purpose

SECTION 1.1. The School's discipline policy sets out the rules of student behavior applicable to all students and the procedures for imposing discipline on students who violate these rules. In general, discipline is designed to correct a student's misconduct and to encourage the student to be a responsible citizen of the School community. Disciplinary actions will be in proportion to the severity of the unacceptable behavior, its impact on the school environment, the student's age and grade level, the student's previous discipline history, and other relevant factors.

The disciplinary process may include due consideration of student support services that may be available through the school, the school system, other public entities, or community organizations. Where feasible, the School prefers to reassign disruptive students to alternative educational settings rather than to suspend or expel such students from school.

Parental notification and parental involvement are essential to any effort to modify a student's inappropriate behavior. The intent of this policy will only be effective if parents and guardians,

teachers, and school administrators work together to improve student behavior and enhance academic performance.

The Board authorizes the immediate removal of a student upon a finding by The Principal that the student poses a threat of harm to self or others, as evidenced by the prior conduct of such student. Any such removal will be subject to the appropriate due process procedures and in accordance with law.

No student may be confined in an unattended locked space except in an emergency situation while awaiting the arrival of law enforcement personnel. For the purpose of this policy, a student is unattended if no person has visual contact with the student, and a locked space is a space that the student cannot reasonably exit without assistance.

SECTION 2. Enforcement

The Principal is responsible for the development of additional regulations and procedures regarding student conduct needed to maintain proper behavior in schools under their supervision. All such regulations and procedures shall be consistent with Board-adopted discipline policies.

Teachers have the authority and responsibility to make and enforce necessary rules for internal governance in the classroom, subject to review by the Principal. The Board expects each teacher to maintain a satisfactory standard of conduct in the classroom. All LEA staff is required to enforce LEA policies, regulations and procedures in a manner that is fair and developmentally appropriate and that considers the student and the individual circumstances involved.

All employees of the LEA shall annually receive instruction related to the specific contents of the LEA's discipline policy and any interpretations necessary to implement the provisions of the policy in the course of their duties including, but not limited to, approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

SECTION 3. Definitions of Disciplinary Methods

Section 3.1. In-School Suspension. Defined as the removal of a student from regular classes and assignment to an in-school suspension setting in the School. The student's teachers send class assignments to in-school suspension. The student may not attend or participate in extracurricular activities while assigned to in-school suspension.

A teacher may request that a student who has been assigned to in-school suspension be allowed to attend his/her class (such as lab classes). The granting of this request is limited to cases where it is extremely important that a class not be missed or where a class cannot be made up at a later date. The Principal has the final decision.

For minor offenses, in lieu of in-school suspension, and upon student or parent request, students may be given the option of school service (i.e., picking up trash on the school grounds, cleaning

lunchroom tables, etc.), provided the school service is age-appropriate, supervised, and does not include restroom duties.

Section 3.2. Out-of-School Suspension. Defined as the removal of a student from School for a specific number of days. The Principal may impose an out-of-school suspension of up to ten school days. Schoolwork missed during 1-3 day suspensions may be made up when the student returns to school. For suspensions of 4-10 school days, parents/guardians may request schoolwork and pick up the schoolwork during school hours.

Long-term suspension is defined as the removal of a student from School for more than ten school days and up to 180 school days. Only the Student Evidentiary Hearing Committee (defined below) or the school's Governing Board may impose long-term suspension.

A student on long-term suspension who has not been referred to an alternative school may not receive homework, make up work, or take semester exams unless allowed to do so by the School Leader. A student who is suspended out of school is not allowed on school property and may not participate in any school activities or school functions during the period of suspension.

Section 3.3. Expulsion. Defined as the removal of a student from School for an indefinite period. Only the school's Governing Board may impose expulsion.

Section 3.4. Alternative School. A student who is removed from his/her school for more than 10 school days may be allowed to attend an alternative school or program for instruction, academic support, and counseling. Alternative school enables a student to take academic classes that allow the student to keep up with the course credit requirements toward graduation. The student may not return to his/her school or any other school or attend any extracurricular activities while attending an alternative school pursuant to a long-term suspension or expulsion.

Section 3.5. Restrictions on School Activities. Students who are suspended or expelled will not be allowed to participate in any school-sponsored activities, [including the prom or graduation exercises] if these occur during the period of suspension or expulsion. A parent or guardian may, for good cause, petition the School Leader for permission for the student to participate in school-sponsored activities.

Section 4. Suspension and Expulsion Procedures

Section 4.1. In Missouri, a principal may suspend a student for up to ten school days. A School Leader may suspend a student for up to 180 school days. Procedures for suspending a student are outlined below.

Before suspending a student, a principal or School Leader must (a) tell the student, either orally or in writing, what misconduct he or she is accused of; (b) if the student denies the accusation, explain, either orally or in writing, the facts that form the basis of the proposed suspension; and (c) give the student an opportunity to present his or her version of the incident.

If the principal or School Leader concludes that the student has engaged in misconduct punishable by suspension, the procedures described below apply. If the student has a disability as defined in the Individuals with Disabilities Education Act (IDEA) as amended or Section 504 of the Rehabilitation Act additional procedural safeguards described in the policy dealing with the discipline of students with disabilities apply.

The principal or School Leader should determine whether the student should be suspended or whether less drastic alternative measures would be appropriate. In many cases, the principal or School Leader may decide not to suspend a student unless conferences (between the teacher, student and principal and/or between the parent, student and principal) have been held and have failed to change the student's behavior.

If suspension is imposed, the student's parents or guardians must be promptly notified of the suspension and the reasons for the action.

Any suspension by a principal must be reported, immediately and in writing, to the School Leader, who may revoke the suspension, either part or in full, at any time.

If a student is suspended for more than ten school days, the following rules also apply:

The student, his or her parents, guardians or others having custodial care have a right to appeal the School Leader's decision to the Board or a committee of the Board appointed by the Board.

If the student gives notice that he or she wishes to appeal the suspension to the Board, the suspension shall be stayed until the Board renders its decision, unless in the School Leader's judgment, the student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process.

All notices of appeal shall be transmitted, either by the appealing party or by the School Leader, to the secretary of the Board. Oral notices, if made to the School Leader, shall be reduced to writing and communicated to the secretary of the Board.

The School Leader, when notified of an appeal, shall promptly transmit to the Board a full written report of the facts relating to the suspension, the action taken by the superintendent, and the reasons for the action.

Upon receipt of a notice of appeal, the Board will schedule a hearing and within a reasonable time in advance of the scheduled date, will notify, by certified mail, the appealing party of the date, time and place of the hearing and of the right to counsel and procedural requirements for the hearing.

Hearings of appealed suspensions will be conducted as described in the section of this policy dealing with student disciplinary hearings.

Section 4.2. Suspensions For More Than 180 School Days and Expulsions

Only the Board may expel a student or suspend a student for more than 180 school days. The applicable procedures are outlined below.

Before recommending to the Board that a student be expelled or suspended for more than 180 school days, the School Leader must (a) tell the student, either orally or in writing, what misconduct he or she is accused of; (b) if the student denies the accusation, explain, either orally or in writing, the facts that form the basis of the proposed suspension/expulsion; and (c) give the student an opportunity to present his or her version of the incident.

If the School Leader concludes that the student has engaged in misconduct and should be expelled or suspended for more than 180 school days, the procedures described below apply unless the student has a disability. (In the case of a student with a disability, the procedures described in the policy dealing with the discipline of students with disabilities shall apply.)

The School Leader will recommend to the Board that the student be expelled or suspended for more than 180 school days. The School Leader may also immediately suspend the student for up to 180 school days.

Upon receipt of the School Leader's recommendation, the Board will follow the procedures described in the section of this policy dealing with student disciplinary hearings.

If the student is expelled, he or she may later apply to the Board for readmission. Only the Board can readmit an expelled student.

Section 4.3. Student Discipline Hearings

The Board of Directors may originate student discipline hearings upon recommendation of the School Leader. In such cases, the Board of Education will review the School Leader's report and determine whether to conduct a discipline hearing. In addition, student discipline hearings also will be held upon written request of the student or the student's parents, to consider appeals from student suspensions in excess of ten school days. A discipline hearing will always be held in cases of suspensions in excess of 180 school days or expulsions, unless after meeting with the School Leader or designee, the parent or guardian waives, in writing, the right to an expulsion hearing.

The hearing shall be heard by the Board or a committee thereof, which shall have full authority to act in lieu of the Board. A decision of the Board committee shall be considered the decision of the Board. In conducting a discipline hearing, the Board, or its designated committee, will carefully consider the information presented by the administration and by the parent/guardian and student. Generally, the hearing will be informal; however, the Board or the designated committee, in its discretion, may decide to conduct the hearing as a contested case proceeding in accordance with Chapter 536 of the Missouri Revised Statutes.

The following procedures apply to all hearings before the Board:

The student and the student's parents/guardians will be provided written notice of the date, time and place of the hearing.

The parent/guardian may represent their student or may retain an attorney to act as a representative of the student. If the parent/guardian elects to have the student represented by an attorney at the hearing, the parent/guardian shall notify the Board of such representation at least forty-eight hours prior to the scheduled time of the hearing.

The student and parent/guardian will be advised of the charges against the student and will be given the opportunity to respond to those charges. Prior to the hearing, the student and parent/guardian, or their attorney, may review the student's file, the discipline report, and related records.

The hearing will be closed unless the Board or its designated committee decides otherwise. The hearing may only be open with parental consent.

The student and the student's parents/guardians will be provided written notice of the Board's decision.

When the Board of Directors or its designated committee elects to conduct a contested case hearing, the following procedures will also apply:

The student, student's parents/guardians, or their representative will be provided written notice of the date, time and place of the hearing, and their right to call witnesses, enter exhibits and cross-examine adverse witnesses during the hearing.

Prior to the hearing, the student and the student's parents/guardians will be advised of the identity of the witnesses to be called by the administration. In addition, the student and the student's parents/guardians will be provided copies of the documents to be introduced at the hearing by the administration.

At the hearing, the administration or their counsel will present the charges and such testimony and evidence to support such charges. The student, the student's parents/guardians or their representatives shall have the right to present witnesses, introduce exhibits, and to cross-examine witnesses called in support of the charges.

At the conclusion of the hearing, the Board or the designated committee shall deliberate in executive session and shall render a decision to dismiss the charges, to suspend the student for a specified period of time, or to expel the student from Hawthorn. The administration or its counsel, by direction of the Board or the designated committee, shall promptly prepare and transmit to the student and the student's parents/guardians written notice of the Board's decision.

Section 5. Remedial Conference

Prior to the readmission or enrollment of any student who has been suspended out of school or expelled in accordance with this policy for any "act of school violence" as defined in § 160.261.2, RSMo., a conference must be held to review the student's conduct that resulted in the suspension or expulsion and any remedial actions needed to prevent future occurrences of such conduct or related conduct. The conference shall include the appropriate school officials including any teacher directly involved with the conduct that resulted in the suspension or expulsion, the student, and the parent or guardian of the student or any agency having legal jurisdiction, care, custody or control of the student. The School Leader shall notify, in writing, the parents or guardians and all other parties of the time, place and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. This requirement applies to enrolling students transferring from another school as well, regardless of whether the "act of school violence" was committed at a public school or at a private school in Missouri.

Section 6. Offenses and Consequences

Section 6.1. Reporting to Law Enforcement. It is the policy of the School to report crimes occurring on school grounds to law enforcement, including, but not limited to, the crimes the School is required to report in accordance with law.

The following acts, regardless of whether they are committed by juveniles, are subject to this reporting requirement:

1. First or second-degree murder under §§ 565.020, .021, RSMo.
2. Voluntary or involuntary manslaughter under § 565.023, .024, RSMo.
3. Kidnapping under § 565.110, RSMo.
4. First, second- or third-degree assault under §§ 565.050, .060, .070, RSMo.
5. Sexual assault or deviate sexual assault under §§ 566.040, .070, RSMo.
6. Forcible rape or sodomy under §§ 566.030, .060, RSMo.
7. Burglary in the first or second degree under §§ 569.160, .170, RSMo.
8. Robbery in the first degree under § 569.020, RSMo.
9. Possession of a weapon under chapter 571, RSMo.
10. Distribution of drugs under §§ 195.211, .212, RSMo.
11. Arson in the first degree under § 569.040, RSMo.
12. Felonious restraint under § 565.120, RSMo.
13. Property damage in the first degree under § 569.100, RSMo.
14. Child molestation in the first degree pursuant to § 566.067, RSMo.
15. Sexual misconduct involving a child pursuant to § 566.083, RSMo.
16. Sexual abuse pursuant to § 566.100, RSMo.
17. Harassment under § 565.090, RSMo.
18. Stalking under § 565.225, RSMo.

The School Leader shall also notify the appropriate law enforcement agency if a student is discovered to possess a controlled substance or weapon in violation of the LEA's policy.

In addition, the School Leader shall notify the appropriate division of the juvenile or family court upon suspension for more than ten days or expulsion of any student who the School is aware is under the jurisdiction of the court.

Section 6.2. Documentation in Student's Discipline Record. The School Leader, his/her designee or other administrators or school staff will maintain all discipline records as deemed necessary for the orderly operation of the schools. In addition, any of the following offenses constitute a serious violation of the School's policy and must be documented in the student's discipline record in accordance with law:

1. Any act of school violence or violent behavior.
2. Any offense that occurs on school property, on school transportation or at any school activity and that is required by law to be reported to law enforcement officials.
3. Any offense that results in an out-of-school suspension for more than ten school days.

Section 6.3. Prohibition Against Being On or Near School Property During Suspension. All students who are suspended or expelled are prohibited from being on school property for any reason unless permission is granted by the School Leader or his/her designee. Any student who is suspended for any offenses listed in section 160.261, RSMo., or any act of violence or drug-related activity shall not be allowed to be within 1,000 feet of any public school in the LEA unless one of the following conditions exist:

1. The student under the direct supervision of the student's parent, legal guardian, or custodian.
2. The student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the School Leader of the school that suspended the student.
3. The student is in an alternative school that is located within 1,000 feet of a public school in the LEA.
4. The student resides within 1,000 feet of a public school in the LEA and is on the property of his or her residence.

If a student violates this prohibition, he or she may be subject to additional discipline, including suspension or expulsion, in accordance with the offense, "Failure to Meet Conditions of Suspension," listed below.

Section 6.4. Prohibited Conduct. The following are descriptions of prohibited conduct as well as potential consequences for violation. In addition to the consequences specified here, school officials will notify law enforcement and document violations in the student's discipline file pursuant to law and Board policy.

Arson – Starting or attempting to start a fire or causing or attempting to cause an explosion.

First Offense	School Leader/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion. Restitution if appropriate.
Subsequent Offense:	1-180 days out-of-school suspension or expulsion. Restitution if appropriate.

Assault

1. Hitting, striking and/or attempting to cause injury to another person; placing a person in reasonable apprehension of imminent physical injury; physically injuring another person.

First Offense:	School Leader/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.
Subsequent Offense:	In-school suspension, 1-180 days out-of-school suspension, or expulsion.

2. Attempting to kill or cause serious physical injury to another; killing or causing serious physical injury to another.

First Offense:	Expulsion.
----------------	------------

Automobile/Vehicle Misuse – Discourteous or unsafe driving on or around school property, unregistered parking, failure to move vehicle at the request of school officials, failure to follow directions given by school officials or failure to follow established rules for parking or driving on school property.

First Offense:	School Leader/Student conference, suspension or revocation of parking privileges, detention, in-school suspension, or 1-10 days out-of-school suspension.
Subsequent Offense:	Revocation of parking privileges, detention, in-school suspension, or 1-180 days out-of-school suspension.

Bullying – Intimidation, harassment and attacks on a student or multiple students, perpetuated by individuals or groups. Bullying includes, but is not limited to physical violence, verbal taunts, name-calling and put-downs, threats, extortion or theft, damaging property, cyber-bullying, and exclusion from a peer group.

First Offense: School Leader/Student conference, detention, in-school suspension, or 1-180 days out-of-school suspension or expulsion.

Subsequent Offense: 1-180 days out-of-school suspension or expulsion.

Bus or Transportation Misconduct– Any offense committed by a student on, while waiting for, or entering transportation provided by or through the school shall be punished in the same manner as if the offense had been committed at the student's assigned school. In addition, transportation privileges may be suspended or revoked.

Dishonesty – Any act of lying, whether verbal or written, including forgery.

First Offense: Nullification of forged document. School Leader/Student conference, detention, in-school suspension, or 1-10 days out-of-school suspension.

Subsequent Offense: Nullification of forged document. Detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Disrespect to Staff– Willful or continued willful disobedience of a directive or request by a LEA staff member or disrespectful verbal, written, pictorial, or symbolic language or gesture that is directed at a LEA staff member and that is rude, vulgar, defiant, in violation of LEA policy or considered inappropriate in educational settings.

First Offense: School Leader/Student conference, detention, in-school suspension, or 1-10 days out-of-school suspension.

Subsequent Offense: Detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Disruptive Conduct or Speech – Verbal, written, pictorial or symbolic language or gesture that is directed at any person and that is disrespectful, rude, vulgar, defiant, in violation of LEA policy or considered inappropriate in educational settings or that materially and substantially disrupts classroom work, school activities or school functions. Students will not be disciplined for speech in situations where it is protected by law.

First Offense: School Leader/Student conference, detention, in-school suspension, or 1-10 days out-of-school suspension.

Subsequent Offense: Detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Drugs/Alcohol

1. Possession, sale, purchase or distribution of any over-the-counter drug, herbal preparation or imitation drug or herbal preparation.

First Offense: School Leader/Student conference, in-school suspension or 1-180 days out-of-school suspension.

Subsequent Offense: 1-180 days out-of-school suspension or expulsion.

2. Possession, use of, or attendance while under the influence of or soon after consuming any unauthorized prescription drug, alcohol, narcotic substance, unauthorized inhalants, controlled substances, illegal drugs, counterfeit drugs, imitation controlled substances or drug-related paraphernalia.

First Offense: School Leader/Student conference, in-school suspension, 1-180 days out-of-school suspension.

Subsequent Offense: 1-180 days out-of-school suspension or expulsion.

3. Sale, purchase, transfer or distribution of any prescription drug, alcohol, narcotic substance, unauthorized inhalants, controlled substances, illegal drugs, counterfeit drugs, imitation controlled substances or drug-related paraphernalia.

First Offense: Expulsion.

Extortion – Threatening or intimidating any person for the purpose of obtaining money or anything of value.

First Offense: School Leader/Student conference, detention, in-school suspension, or 1-10 days out-of-school suspension.

Subsequent Offense: In-school suspension, 1-180 days out-of-school suspension, or expulsion.

Failure to Meet Conditions of Suspension – Coming within 1,000 feet of any public school in the LEA while on suspension for an offense that requires reporting to law enforcement or for an act of school violence or drug-related activity. See section of this regulation entitled, "Prohibition Against Being On or Near School Property During Suspension."

In determining whether to suspend or expel a student, consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether the student's presence within 1,000 feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy.

First Offense: Verbal warning, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Subsequent Offense: Verbal warning, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

False Alarms (see also "Threats or Verbal Assaults") – Tampering with emergency equipment, setting off false alarms, making false reports; communicating a threat or false report for the purpose of frightening, disturbing, disrupting or causing the evacuation or closure of school property.

First Offense:	Restitution. School Leader/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.
Subsequent Offense:	Restitution. In-school suspension, 1-180 days out-of-school suspension, or expulsion.

Fighting (see also, "Assault") – Mutual combat in which both parties have contributed to the conflict either verbally or by physical action.

First Offense:	School Leader/Student conference, detention, in-school suspension, or 1-180 days out-of-school suspension.
Subsequent Offense:	In-school suspension, 1-180 days out-of-school suspension, or expulsion.

Harassment/Discrimination– Use of verbal, written or symbolic language based on race, color, religion, sex, national origin, ancestry, disability, age or any other characteristic that has the purpose or effect of unreasonably interfering with a student’s educational environment or creates an intimidating, hostile or offensive educational environment. Examples of illegal harassment include, but are not limited to, graffiti, display of written material or pictures, name calling, slurs, jokes, gestures, threatening, intimidating or hostile acts, theft or damage to property.

First Offense:	School Leader/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.
Subsequent Offense:	In-school suspension, 1-180 days out-of-school suspension, or expulsion.

Hazing – Any activity that a reasonable person believes would negatively impact the mental or physical health or safety of a student or put the student in a ridiculous, humiliating, stressful or disconcerting position for the purposes of initiation, affiliation, admission, membership or maintenance of membership in any group, class, organization, club or athletic team including, but not limited to, a grade level, student organization or school-sponsored activity. Hazing may occur even when all students involved are willing participants.

First Offense: School Leader/Student conference, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Subsequent Offense: 1-180 days out-of-school suspension or expulsion.

Public Display of Affection – Physical contact that is inappropriate for the school setting including, but not limited to, kissing and groping.

First Offense: School Leader/Student conference, detention, in-school suspension, or 1-180 days out-of-school suspension.

Subsequent Offense: Detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Sexual Harassment/Discrimination

1. Use of unwelcome verbal, written or symbolic language based on gender or of a sexual nature that has the purpose or effect of unreasonably interfering with a student's educational environment or creates an intimidating, hostile or offensive educational environment. Examples of sexual harassment include, but are not limited to, sexual jokes or comments, requests for sexual favors and other unwelcome sexual advances.

First Offense: School Leader/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Subsequent Offense: In-school suspension, 1-180 days out-of-school suspension, or expulsion.

2. Unwelcome physical contact based on gender or of a sexual nature when such conduct has the purpose or effect of unreasonably interfering with a student's educational performance or creates an intimidating, hostile or offensive educational environment. Examples include, but are not limited to, touching or fondling of the genital areas, breasts or undergarments, regardless of whether or not the touching occurred through or under clothing.

First Offense: School Leader/Student conference, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Subsequent Offense: 1-180 days out-of-school suspension or expulsion.

Sexual Misconduct – Exposing of body parts to another individual including, but not limited to, possession, transfer or exposure of images, electronic or otherwise, of the body parts or sexually explicit images of oneself or others, and/or initiating or participating in an act of a sexual nature.

First Offense: School Leader/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Subsequent Offense: In-school suspension, 1-180 days out-of-school suspension, or expulsion.

Technology Misconduct

1. Unauthorized use of cellular telephones, personal computers, or unauthorized use of electronic devices during instructional time.

First Offense: Teacher/Student conference, temporary confiscation of device, and/or detention.

Subsequent Offense: Teacher/Student conference, School Leader/Student conference, temporary confiscation of device, detention, or 1-180 days out-of-school suspension.

2. Attempting, regardless of success, to gain unauthorized access to technology system or information; to use LEA technology to connect to other systems in evasion of the physical limitations of the remote system; to copy LEA files without authorization; to interfere with the ability of others to utilize LEA technology; to secure a higher level of privilege without authorization; to introduce computer "viruses," "hacking" tools, or other disruptive/destructive programs onto or using LEA technology; or to evade or disable a filtering/blocking device.

First Offense:	Restitution. School Leader/Student conference, loss of user privileges, detention, in-school suspension, or 1-180 days out-of-school suspension.
Subsequent Offense:	Restitution. Loss of user privileges, 1-180 days out-of-school suspension, or expulsion.

3. Violation other than those listed in (2) or of the Board Technology Acceptable Use Policy or regulations, administrative procedures or netiquette rules governing student use of LEA technology.

First Offense:	Restitution. School Leader/Student conference, detention, in-school suspension, or 1-180 days out-of-school suspension.
Subsequent Offense:	Restitution. Loss of user privileges, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Theft

Theft, attempted theft, or knowing possession of stolen property.

First Offense:	Return of or restitution for property. School Leader/Student conference, detention, in-school suspension, or 1-180 days out-of-school suspension.
Subsequent Offense:	Return of or restitution for property. 1-180 days out-of-school suspension or expulsion.

Threats or Verbal Assault

Verbal, written, pictorial or symbolic language and/or gestures creating a reasonable fear of physical injury or causing school property damage. Threats by students, whether made on campus or off school grounds, which constitute a “true threat” against the LEA, its students or employees, will be immediately reported to law enforcement officials and will subject the student to suspension and a possible referral for expulsion. The definition of “true threat” shall be construed in accordance with applicable law and encompasses those statements that a reasonable recipient would view as a serious threat of violence or death.

First Offense: School Leader/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Subsequent Offense: In-school suspension, 1-180 days out-of-school suspension, or expulsion.

Tobacco

Defined as possession and/or use of any tobacco products on school grounds, school-transportation or at any school-activity.

First Offense: Confiscation of tobacco product. School Leader/Student conference, detention, or in-school suspension.

Subsequent Offense: Confiscation of tobacco product. Detention, in-school suspension, or 1-10 day out-of-school suspension.

Truancy

Defined as absence from school without the knowledge and consent of parents/guardians and/or the school administration; excessive non-justifiable absences, even with the consent of parents/guardians.

First Offense: School Leader/Student conference, detention, or 1-3 days in-school suspension.

Subsequent Offense: Detention or 3-10 days in-school suspension.

Unauthorized Entry

Entering or assisting any other person to enter a LEA facility, office, locker, or other area that is locked or not open to the general public; entering or assisting any other person to enter a LEA facility through an unauthorized entrance; assisting unauthorized persons to enter a LEA facility through any entrance.

First Offense: School Leader/Student conference, detention, in-school suspension, or 1-180 days out-of-school suspension.

Subsequent Offense: 1-180 days out-of-school suspension or expulsion.

Vandalism

Defined as the willful damaging or the attempt to cause damage to real or personal property belonging to the school, staff or students.

First Offense: Restitution. School Leader/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Subsequent Offense: Restitution. In-school suspension, 1-180 days out-of-school suspension, or expulsion.

Weapons

1. Defined as the possession or use of any instrument or device, other than those defined in 18 U.S.C. § 921, 18 U.S.C. § 930(g)(2) or section 571.010, RSMo, which is customarily used for attack or defense against another person; any instrument or device used to inflict physical injury to another person.

First Offense: School Leader/Student conference, in-school suspension, 1-180 days out-of-school suspension, or expulsion.

Subsequent Offense: 1-180 days out-of-school suspension or expulsion.

2. Possession or use of a firearm as defined in 18 U.S.C. § 921 or any instrument or device defined in section 571.010, RSMo., or any instrument or device defined as a dangerous weapon in 18 U.S.C. § 930(g)(2)

First Offense: One calendar year suspension or expulsion, unless modified by the Board upon recommendation by the superintendent.

Subsequent Offense: Expulsion.

The Biome administration reserves the right to accelerate the disciplinary consequences based on the context and frequency of the infraction.

Please note that this guide cannot be expected to list or describe every possible infraction or offense that may require disciplinary action. The Biome reserves the right to impose and escalate any consequence that may be appropriate under the circumstance, depending on the nature, severity and frequency of the conduct issue.

Reporting Concerns Regarding School Safety

Learners, parents and staff members are highly encouraged to report all dangerous and potentially dangerous situations and/or events directly to an administrator or classroom leader. Such situations include, but are not limited to threats, harassment, bullying, acts of violence, drug activity or the possession of weapons on school property.

Technology Acceptable Use Model Policy

SECTION 1. Technology Use and Safety

The School recognizes that its technology resources have an important educational purpose when used properly.

Section 1.2 The School will monitor the online activities of minors and operate a technology protection measure (“content filter”) on the network and all School technology with Internet access, as required by law. In accordance with law, the content filter will be used to protect against access to visual depictions that are obscene or harmful to minors or are child pornography. Content filters are not foolproof, and the School cannot guarantee that users will never be able to access offensive materials using School equipment. Evading or disabling, or attempting to evade or disable, a content filter installed by the School is prohibited. The School Leader or designee will create a procedure that allows students, employees or other users to request that the School review or adjust the content filter to allow access to a website or specific content.

Section 1.3 In addition to the use of a content filter, the School will take measures to prevent minors from using School technology to access inappropriate matter or materials harmful to minors on the Internet. Such measures shall include, but are not limited to, supervising and monitoring student

technology use, careful planning when using technology in the curriculum, and instruction on appropriate materials. The School Leader, designee and/or the technology administrator will develop procedures to provide users guidance on which materials and uses are inappropriate, including network etiquette guidelines.

Section 1.4 All minor students will be instructed on safety and security issues, including instruction on the dangers of sharing personal information about themselves or others when using e-mail, social media, chat rooms or other forms of direct electronic communication. Instruction will also address cyberbullying awareness and response and appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms.

This instruction will occur in the School's computer courses, courses in which students are introduced to the computer and the Internet, or courses that use the Internet in instruction. Students are required to follow all School rules when using School technology resources and are prohibited from sharing personal information online unless authorized by the School.

Section 1.5 All School employees must abide by state and federal law and Board policies and procedures when using School technology resources to communicate information about personally identifiable students to prevent unlawful disclosure of student information or records.

Section 1.6 All users are prohibited from using School technology to gain unauthorized access to a technology system or information; connect to other systems in evasion of the physical limitations of the remote system; copy School files without authorization; interfere with the ability of others to utilize technology; secure a higher level of privilege without authorization; introduce computer viruses, hacking tools, or other disruptive/destructive programs onto school technology; or evade or disable a content filter.

SECTION 2 Technology Privileges

SECTION 2.1. The use of Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrators and teachers will deem what is inappropriate use and their decision is final. The school may deny, revoke, or suspend specific user access.

Section 2.2. Employees may be disciplined or terminated, and students suspended or expelled, for violating the School's technology policies and procedures. Any attempted violation of the School's technology policies or procedures, regardless of the success or failure of the attempt, may result in the same discipline or suspension of privileges as that of an actual violation. The School will cooperate with law enforcement in investigating any unlawful use of the School's technology resources.

SECTION 3. Staff Responsibilities for Use of Technology

- Develop and help students develop the skills needed to discriminate among information sources, to identify information appropriate to age and developmental levels, and to evaluate and use information to meet educational goals;

- Supervise and/or monitor all to whom one grants access to technology resources regarding implementation of this policy;
- Take an active role in ensuring that students and their parents are aware of the individual student's responsibility to use technology resources in an ethical and educational manner.
- Supervise student Internet and computer usage.
- Comply with School policies

SECTION 4. Student Responsibilities for Use of Technology

- Never give out personal or family information such as phone numbers, credit card numbers, or home addresses.
- Never arrange for a face-to-face meeting with a stranger and never respond to abusive or suggestive messages. Report all such instances immediately to a teacher or member of the technology staff.
- Use appropriate language when using electronic email or other use of the computer. Do not swear, use vulgarities or any other inappropriate language.
- Comply with School policies when using School technology.

SECTION 5. Network User Responsibilities

- Use of the School's technology resources must be in support of education and research consistent with the educational objectives of the School.
- Comply with all rules and laws regarding access and copying of information as prescribed by Federal, State, or local law, and Internet providers.
- Be polite and appropriate. Adhere to all standards of courtesy, etiquette, and existing board policies as they may be interpreted to apply to technology resources.
- Help maintain security of LEA technology resources by following this policy and maintaining secrecy of all passwords. All known breeches of security must be reported to the School Leader or authorized School Leader.
- Be aware that network files and electronic mail are not guaranteed to be private. School technology personnel shall have access to all files.
- Do not permit others to use your account.

SECTION 6. Unacceptable Uses Include, but are not limited to:

- Providing unauthorized or inappropriate access to School technology resources.
- Any attempt to harm or destroy data of another user or other networks connected to the Internet.
- Activities involving the loss or unauthorized use of others' work.
- Distribution or use of obscene, abusive, or threatening material, including child pornography and any other material that is harmful to minors. Material that is harmful to minors is any picture, image, graphic image file, or other visual depiction that (a) taken as a whole and with respect to minors, appeals to the prurient interest in nudity, sex, or excretion; (b) depicts, describes, or represents, in a patently offensive way with respect to what is suitable for

minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals, and (c) taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

- Unauthorized use of school resources for commercial, illegal, or profit-making enterprises.
- Knowingly wasting technology resources.
- Physical abuse of the equipment.
- Using technology resources in ways that violate school policies and behavior standards.
- Degrading or disrupting equipment or system performance.
- Installing unauthorized software on school computers, or any violation of copyright established for computer software.
- Knowingly uploading or creating computer viruses.

SECTION 7. Transmission of any material in violation of any federal or state regulation is prohibited.

This includes, but is not limited to; copyrighted material, threatening or obscene material, or material protected by trade secret. Use for product advertisement or political lobbying is also prohibited. Use for commercial activities is generally not acceptable.

Section 8. User Privacy

Section 8.1. A user does not have a legal expectation of privacy in the user's electronic communications or other activities involving the School's technology resources including, but not limited to, voice mail, telecommunications, e-mail and access to the Internet or network drives. By using the School's network and technology resources, all users are consenting to having their electronic communications and all other use monitored by the School. A user ID with e-mail access will only be provided to authorized users on condition that the user consents to interception of or access to all communications accessed, sent, received or stored using School technology.

Section 8.2. Electronic communications, downloaded material and all data stored on the School's technology resources, including files deleted from a user's account, may be intercepted, accessed, monitored or searched by School administrators or their designees at any time in the regular course of business. Such access may include, but is not limited to, verifying that users are complying with School policies and rules and investigating potential misconduct. Any such search, access or interception shall comply with all applicable laws. Users are required to return School technology resources to the School upon demand including, but not limited to, mobile phones, laptops and tablets.

Section 9. Closed Forum

Section 9.1. The School's technology resources are not a public forum for expression of any kind and are to be considered a closed forum to the extent allowed by law. The School's webpage will provide information about the school but will not be used as an open forum.

Section 9.2. All expressive activities involving School technology resources that students, parents/guardians and members of the public might reasonably perceive to bear the imprimatur of the School and that are designed to impart particular knowledge or skills to student participants and audiences are considered curricular publications. All curricular publications are subject to reasonable prior restraint, editing and deletion on behalf of the school for legitimate pedagogical reasons. All other expressive activities involving the school's technology are subject to reasonable prior restraint and subject matter restrictions as allowed by law and Board policies.

Section 10. No Warranty/No Endorsement

Section 10.1. The School makes no warranties of any kind, whether expressed or implied, for the services, products or access it provides. The School's technology resources are available on an "as is, as available" basis.

Section 10.2. The School is not responsible for loss of data, delays, nondeliveries, misdeliveries or service interruptions. The School does not endorse the content nor guarantee the accuracy or quality of information obtained used the School's technology resources.

GENERAL INFORMATION

Aftercare Program

Aftercare services are provided by our partner, Mission St. Louis, on a first-come-first-served-basis. Please see our website for more information. <https://thebiomeschool.org/extended-day/>

Calendar

The school calendar is included in the Appendix. Please note that activities and events will be added throughout the year. The most up-to-date calendar is always available on the school website: <https://thebiomeschool.org/events/>.

Change of Information

Please help us maintain your child's records. The school must be notified immediately when a change of address or a change of telephone number occurs. Please call the main office with new contact information. Proof of residency must be submitted to the main office within 30 days of a change of address.

To change a learner's legal name, a court order showing changes must be submitted to the school. School records cannot be changed without legal document.

Distribution of Medicine Policy

Section 1. School Distribution and Administration of Medication

Section 1.1. The school nurse (or another employee designated by the School Leader or his/her designee) may administer medication (this includes prescription or over-the-counter medication) only if all of the following requirements are met:

Section 1.1.1. Prescription drugs must be in the original container, bear the name of the student, the name of the physician and the name of the pharmacy filing the prescription. Over-the-counter drugs must be maintained in the original container.

Section 1.1.2. The appropriate approval form for medication distribution must have been completed and signed by the parent or guardian for each medication.

Section 1.2.3. The school nurse or other designated employee shall keep a written report of medication taken by the student.

Section 1.2.4. Medications will be administered at school only when it is not possible or effective for the student to receive the medication at home.

Section 1.2. The School reserves the right to refuse to administer certain types of medication (at the discretion of the school nurse or other employee authorized by the School Leader's or his/her

designee) when such administration could prove harmful to staff or student without proper training or direction of a physician.

Section 2. Student Possession and Self-Administration of Medication

Section 2.1. The School prohibits students from possessing or self-administering medications while on School ground, on School transportation or during School activities unless explicitly authorized in accordance with this section.

Section 2.2. The school shall grant any student authorization for the possession and self-administration of medication to treat the student's chronic health condition, including but not limited to asthma or anaphylaxis if:

Section 2.2.1. A licensed physician prescribed or ordered such medication for use by the pupil and instructed such pupil in the correct and responsible use of such medication;

Section 2.2.2. The pupil has demonstrated to the pupil's licensed physician or the licensed physician's designee, and the school nurse, if available, the skill level necessary to use the medication and any device necessary to administer such medication prescribed or ordered;

Section 2.2.3. The pupil's physician has approved and signed a written treatment plan for managing the pupil's chronic health condition, including asthma or anaphylaxis episodes and for medication for use by the pupil. Such plan shall include a statement that the pupil is capable of self-administering the medication under the treatment plan;

Section 2.2.4. The pupil's parent or guardian has completed and submitted to the school any written documentation required by the school, including the treatment plan and the liability statement.

Section 2.2.5. The pupil's parent or guardian has signed a statement acknowledging that the school and its employees or agents shall incur no liability as a result of any injury arising from the self-administration of medication by the pupil or the administration of such medication by school staff. Such statement shall not be construed to release the school and its employees or agents from liability for negligence.

Section 2.3. Pupils authorized to possess and self-administer medication may possess and self-administer such medication while in school, at a school-sponsored activity, and in transit to or from school or school-sponsored activity.

Section 2.4. Such authorization shall only be effective for the school year in which it is granted. Such authorization shall be renewed by the student's parent or guardian each subsequent school year.

Section 2.5. Any current duplicate prescription medicine, if provided by a student's parent or guardian or by the school shall be kept at the school in a location at which the student or school staff has immediate access in the event of an asthma or anaphylaxis or other emergency.

Section 2.6. The written treatment plan, liability statement, and any other written documentation shall be kept on file at the school in a location easily accessible in the event of an emergency.

Section 2.7. Permission to possess and self-administer medications may be revisited if there is evidence that the student is not handling or administering the medication appropriately or that the student's actions may be harming their own health or the health and safety of others.

Section 3. Consequences

Section 3.1. Students who possess or consume medications in violation of this policy while on School grounds, on School transportation or during a School activity may be disciplined up to and including suspension or expulsion.

Section 3.2. Employees who violate this policy may be disciplined up to and including termination.

Section 3.3. The School will notify law enforcement when they believe a crime has occurred.

Immunizations Policy

Section 1. General

Section 1.1. It is the policy of the School that all students attending the School shall be immunized in accordance with law.

Section 1.2. The School will not allow a student to attend school until the School has satisfactory evidence on file demonstrating that the student has been immunized, that the immunization process has begun, and satisfactory progress is being accomplished or that the student is exempted from obtaining immunizations in accordance with law.

Section 2. Immunization Exceptions

Section 2.1. A student is exempted from obtaining immunizations if the School has the completed, original forms from the Missouri Department of Health and Senior Services (DHSS) necessary to prove that the student will not be immunized for religious or medical reasons. An exemption for medical reasons requires certification by a licensed Doctor of Medicine or doctor of osteopathy that either the immunization would seriously endanger the child's health or life or that the child has documentation of laboratory evidence of immunity to the disease. An exemption for religious reasons requires written certification from one parent/guardian that immunization of the student violates his or her religious beliefs.

Section 2.2. Homeless students, students in the custody of the Children's Division (CD) of the Department of Social Services and students in the household of an active duty member of the military who do not have an exemption and cannot provide evidence of having received immunizations required under Missouri law shall be immediately enrolled, permitted to attend and given 30 days to provide satisfactory evidence that the student has completed all age-appropriate immunizations or

has begun the process of immunization. If the student has begun the process of immunization, the student may continue to attend as long as the process is being accomplished according to the schedule recommended by DHSS.

Section 3. Failure to Provide Evidence of Required Immunizations

Section 3.1. The School will exclude from school all students who are not immunized or exempted as required by law.

Section 3.2. The School must report to DHSS the names of any parents/guardians who neglect to immunize their student or refuse to permit the immunization of a nonexempt student. The School will also report to the CD any instance of educational or medical neglect.

Section 3.3. Pursuant to law, any contacts with parents/guardians regarding immunizations will also include information about influenza and influenza vaccines.

Section 5. Records

The School Leader or designee shall institute procedures for the maintenance of health records that show the immunization status of every child enrolled in or attending the School and for the completion of all necessary reports in accordance with guidelines prepared by DHSS.

Tobacco – Free Environment

Learners, staff members and visitors are prohibited from using tobacco, tobacco products, and smoking-related products (including, but not limited to, e-cigarettes) in accordance with Board policy 5250. This includes, but is not limited to, all school buildings, grounds, and vehicles and at all school activities.

Communicable Diseases

☒ Parents need to report any communicable diseases that their child might have (i.e., chicken pox, strep throat, ringworm, head lice, impetigo, scabies, and scarlet fever). In order for your learner to return to school, the school must receive a note from the physician stating that the child has been treated. **All notes should be delivered to the main office.**

Should I send my child to school with a runny nose and congestion?

Children can get between three and eight upper-respiratory infections including common colds per year, according to Statistics Canada, and not every one of them warrants a sick day.

Keep children home from school if a runny nose is accompanied by a lack of appetite, lethargy or a distinct change in mood, which could signal something more serious is developing. Likewise, if you notice wheezing or breathing difficulty of any sort, it's time to pay your pediatrician a visit.

Send them back to school as soon as they're feeling better. Colds and flu are most infectious in the first two or three days, so by the time your child starts showing symptoms, she's likely no longer contagious.

(Source: <https://www.todayparent.com/kids/kids-health/child-too-sick-for-school/>)

Should I send my child to school with diarrhea and vomiting?

It's tough to pin down the cause of diarrhea and vomiting—anything from food poisoning to lactose intolerance or gastroenteritis (the virus commonly known as stomach flu) could be the culprit. To make sure that our community is safe, **learners should not return to school until at least 24 hours after a vomiting and/or diarrhea incident.**

(Source: <https://www.todayparent.com/kids/kids-health/child-too-sick-for-school/>)

Should I send my child to school with a fever?

A raised temperature doesn't always signal serious illness. It's fine to send children to school with a slight fever, provided they feel well enough, are attentive and playing. Learners with fevers (temp at or above 100.4°F) should not return to school until at least 24 hours after the fever has come down and stabilized without medication. Additionally, learners should not return to school until at least 24 hours after a vomiting and/or diarrhea incident.

(Source: <https://www.todayparent.com/kids/kids-health/child-too-sick-for-school/>)

Communication

PowerSchools

The Biome School uses a tool called "PowerSchools" to contact parents about important information. You will receive a phone call or text message regarding important information, emergencies, and important events or activities. **Please ensure that we have your cell phone number and email so that you receive these messages.**

Close Communication between School and Home

☒ One of the most important indicators for educational success is close communication between home and school. You are welcome to call to communicate with your child's Classroom Leaders directly. Please leave a message in her or his voice mailbox or at the front desk. Your call will be returned when the Classroom Leader is not teaching and no later than the next school day. Classroom Leaders will not be asked to leave their classrooms to speak with a parent who does not have an appointment. Please check in regularly with the Classroom Leaders or our Principal and let us know if there is anything happening at home that may impact your child's performance at school.

All learners will receive a "take home" folder from The Biome that will go into the learners' backpack at least once per week on Thursdays. Parents are expected to look for the folder, review

the contents, take any necessary action, and return the folder via the learners' backpack by the next school day (Friday, or if no school on Friday, the following Monday). There may be days where no communication is sent, and an empty folder is in the learners' backpacks.

Classroom leaders will send a newsletter to parents at least weekly to inform on classroom/school activities and tips for reinforcing learning at home.

Parent Meetings

The Biome prohibits the use of personal audio, video, or other recording devices in any meetings between Charter LEA employees and parents/guardians, including but not limited to meetings held pursuant to the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act. The Biome's internal security cameras are exempt from this policy. Exceptions to this prohibition will be made on a case-by-case basis and in accordance with federal and state laws.

If a parent or guardian wishes to request an exception to this general prohibition, she or he must make a written request to the organizer of the meeting no later than one week prior to the meeting. The request must state the reasons why the parent or guardian believes The Biome should make an exception and/or why she or he believes that the use of a recording device is necessary to comply with any applicable federal or state laws. The Biome will provide a written response to the request prior to the scheduled meeting.

Parent Teacher Organization (PTO)

The Biome has an active Parent Teacher Organization that supports the learners, staff and community. A variety of events and activities will be offered. Please join and support the Biome School PTO For more information or to get involved email pto@thebiomeschool.org.

The Biome Board Policies

All Board policies The Biome School are available for review on the school's website, which can be accessed at <https://thebiomeschool.org/family-resources/forms-links/> - available under the "HANDBOOKS" tab.

APPENDIX

Every Student Succeeds Act (ESSA) Complaint Procedures

Every Student Succeeds Act of 2015 (ESSA) COMPLAINT PROCEDURES

This guide explains how to file a complaint about any of the programs¹ that are administered by the Missouri Department of Elementary and Secondary Education (the Department) under the Every Student Succeeds Act of 2015 (ESSA)².

Missouri Department of Elementary and Secondary Education Complaint Procedures for ESSA Programs

Appeals <ol style="list-style-type: none">9. How will appeals to the Department be investigated?10. What happens if the complaint is not resolved at the state level (the Department)?	

1. What is a complaint?

For these purposes, a complaint is a written allegation that a local education agency (LEA) or the Missouri Department of Elementary and Secondary Education (the Department) has violated a federal statute or regulation that applies to a program under ESSA.

2. Who may file a complaint?

Any individual or organization may file a complaint.

3. How can a complaint be filed?

Complaints can be filed with the LEA or with the Department.

4. How will a complaint filed with the LEA be investigated?

Complaints filed with the LEA are to be investigated and attempted to be resolved according to the locally developed and adopted procedures.

5. What happens if a complaint is not resolved at the local level (LEA)?

A complaint not resolved at the local level may be appealed to the Department.

¹ Programs include Title I. A, B, C, D, Title II, Title III, Title IV.A, Title V Revised 4/17

² In compliance with ESSA Title VIII- Part C. Sec. 8304(a)(3)(C)

Local education agencies are required to disseminate, free of charge, this information regarding ESSA complaint procedures to parents of students and appropriate private school officials or representatives.

6. How can a complaint be filed with the Department?

A complaint filed with the Department must be a written, signed statement that includes:

- A statement that a requirement that applies to an ESSA program has been violated by the LEA or the Department, and
- The facts on which the statement is based and the specific requirement allegedly violated.

7. How will a complaint filed with the Department be investigated?

The investigation and complaint resolution proceedings will be completed within a time limit of forty-five calendar days. That time limit can be extended by the agreement of all parties.

The following activities will occur in the investigation:

- a. Record.** A written record of the investigation will be kept.
- b. Notification of LEA.** The LEA will be notified of the complaint within five days of the complaint being filed.
- c. Resolution at LEA.** The LEA will then initiate its local complaint procedures in an effort to first resolve the complaint at the local level.
- d. Report by LEA.** Within thirty-five days of the complaint being filed, the LEA will submit a written summary of the LEA investigation and complaint resolution. This report is considered public record and may be made available to parents, teachers, and other members of the general public.

e. **Verification.** Within five days of receiving the written summary of a complaint resolution, the Department will verify the resolution of the complaint through an on-site visit, letter, or telephone call(s).

f. **Appeal.** The complainant or the LEA may appeal the decision of the Department to the U.S. Department of Education.

8. How are complaints related to equitable services to nonpublic school children handled differently?

In addition to the procedures listed in number 7 above, complaints related to equitable services will also be filed with the U.S. Department of Education, and they will receive all information related to the investigation and resolution of the complaint. Also, appeals to the United States Department of Education must be filed no longer than thirty days following the Department's resolution of the complaint (or its failure to resolve the complaint).

9. How will appeals to the Department be investigated?

The Department will initiate an investigation within ten days, which will be concluded within thirty days from the day of the appeal. This investigation may be continued beyond the thirty day limit at the discretion of the Department. At the conclusion of the investigation, the Department will communicate the decision and reasons for the decision to the complainant and the LEA. Recommendations and details of the decision are to be implemented within fifteen days of the decision being delivered to the LEA.

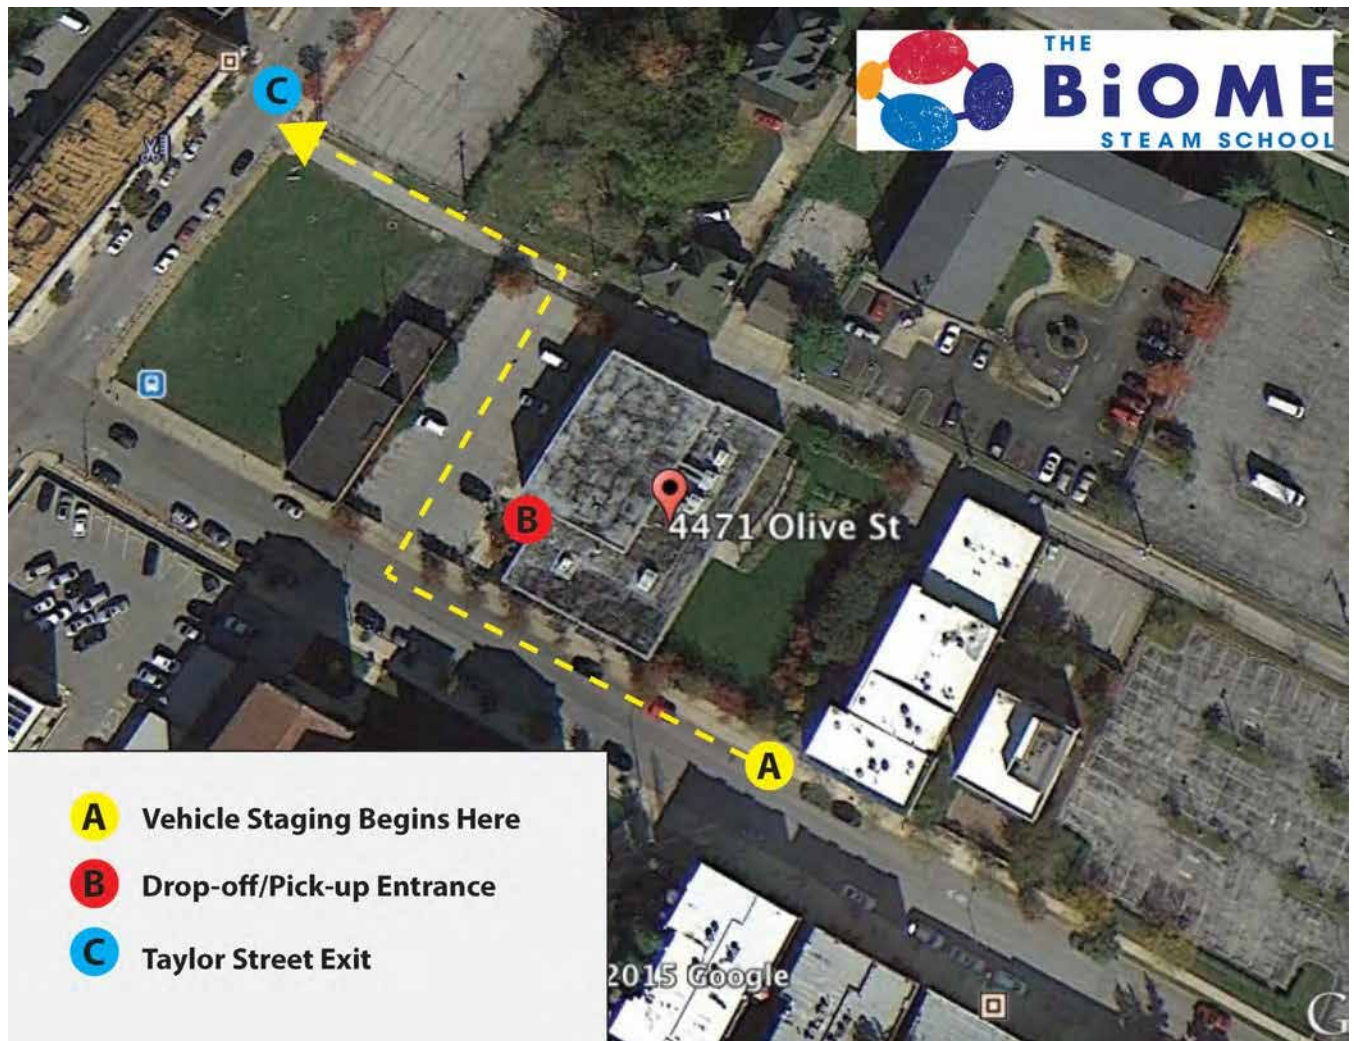

10. What happens if a complaint is not resolved at the state level (the Department)?

The complainant or the LEA may appeal the decision of the Department to the United States Department of Education.

Drop-Off/Pick-Up Traffic Flow

Drop Off Period: 7:15 AM – 7:59 AM

Pick Up Period: 3:00 PM – 3:15 PM

- ❖ Vehicles **MUST** head west on Olive Street (school must be on your right hand side) in order to make a right turn into The Biome's parking lot for pick-up and drop-off, as shown in the map above.
- ❖ Cars should use The Biome's reserved drive-through lane along the curb in front of the school to wait to turn right into the parking lot – **PLEASE DO NOT BLOCK** the west-bound driving lane on Olive Street.
- ❖ Cars heading east on Olive Street will not be allowed to make a left turn into The Biome's parking lot. This would otherwise create traffic jams and is unsafe for pedestrians.

Sample Menus

Menus conform to the nutritional requirements set out by the School Breakfast and Lunch Programs

Sample Breakfast Menu

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	WG Cereal Banana Juice Milk	WG Warm Bagel Cream Cheese Apple Milk	WG Cereal Raisins Juice Milk	WG Biscuit Sausage Pineapple Tidbits Juice Milk	WG Cereal Cantaloupe Juice Milk	
	WG Cereal Raisins Juice Milk	WG Pancakes w Syrup Sausage Apple Milk	WG Cereal Diced Pears Juice Milk	Breakfast Pizza Orange Juice Milk	WG Cereal Honeydew Juice Milk	
	WG Cereal Apple Milk	Breakfast Sandwich Banana Juice Milk	WG Cereal Pears Juice Milk	WG French Toast Sticks Syrup Sausage Juice Milk	WG Cereal Pineapple Juice Milk	
	WG Cereal Raisins Juice Milk	Scrambled Eggs WG Biscuit Banana Juice Milk	WG Cereal Pineapple Milk	WG Pancakes Syrup Sausage Pears Juice Milk	WG Cereal Oranges Juice Milk	

*WG denotes whole grain rich food.

Sample Lunch Menu

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
